Leadership Report

SITE IMPROVEMENT PLAN

The draft SIP for 2023 is almost complete and the next stage is to take it to Governing Council for suggestions and feedback, it will then be published on our website for all to read.

STAFFING FOR 2023

Staffing continues, as we are currently advertising for both our Deputy Principal and MS Science teacher. We feel particularly sad to be farewelling Neil Seaman but know that we have taught him well and Karcultaby Area School will be lucky to have him.

HP REINVENT THE CLASSROOM

We are all really looking forward to our Pupil Free Day this Friday the 2nd of December. Adrian from HP will be with us on this day ensuring we are all well equipped to give high quality and productive feedback to students via digital platforms. We know the next improvement is closely tied to offering feedback to ensure students are doing their absolute best work and pushing for high academic goals.

YEAR 12 FAREWELL ASSEMBLY

Last week we held this assembly, and it was extremely special. Our reception students farewelled their Year 12 Buddies and the slideshow/song was amazing. For anyone who missed it, make sure you come along to the formal where an even better performance will be taking place.

CEILING REPLACEMENT

We now have the schedule for the asbestos removal and ceiling replacement, which will occur in each holiday period and during the term. Asbestos work will only be done in the holidays, at which time the school (on this side of the road) will be inaccessible – this includes the library. Building work will continue during the year and unfortunately, classes will be disrupted during this time. The first building to be tackled is the Science and Activity Room. OSHC will need to operate out of a space in the MS while the asbestos is being removed and I am meeting with OSHC about this regularly already. It will be horrid while it is happening, but an improvement once completed. We are also talking with our contractors about the removal of the computer room wall for our improved space there at the same time.

PRESCHOOL TRANSITION

Another transition program is now completed for 2022, as our 2023 Reception students completed a full day of transition on Tuesday. Our JP teachers invest a huge amount of time and effort into the careful organisation and running of this program, and it has again been a great success. We are really looking forward to our new reception students starting in 2023.

TERM TIME SWIMMING

In Week 7 the two R/1 classes and the 2/3 class have travelled to Cummins to participate in their Term Time Swimming program. This program is part of the Department's Water Safety Program and comes at no cost for families. Thank you to everyone who assisted in making this a success and we know we will have some tired students (and staff) at the end of the week!

PRIMARY ASSEMBLY

Mr Treasure's Year 6s hosted the Week 6 Primary assembly, sharing some of the Literacy work they have been working on in class. A slide show of their recent trip to Cowell to meet their Pen Pals was also presented to the audience. A special visit to the new Cowell foreshore looked like it was enjoyed by all. We also recognised three students from each primary class who have been consistently showing the learning

	End of Term

dispositions of SELF-REGULATION, GRIT and RESILIENCE. Congratulations to the following students for earning their award:

25/11/22	SELF REGULATION	GRIT	RESILIENCE
Mrs McPharlin	Hadley Cave	Violet Pool	Levi Kelly
Mrs Stratford	William Borthwick	Louie Smith	Hazel Trenberth
Miss O'Leary	Reef Borg	Isabelle Carr	Noah Ringwood
Mrs Cullen	Ethan Lawrie	Harper Franks	Selina Collins
Mr Merrett	Brodie Burford	Rahni Smith	Scarlett Southern
Mr Treasure	Jalen Burgoyne	Evie Wait	Leroy Calderwood

PRIMARY CLASSES

We are busy organising primary classes for 2023. This includes the careful placement of students and assignment of teachers. We have finalised our class splits, and they will be the same in 2023 as they are in 2022. These are: R/1, R/1, 2/3, 3/4, 4/5, 5/6.

WELLBEING UPDATE

Colour Run

The Senior Secondary Student voice organised a wonderful whole school event last Monday. It was wonderful to see so many parents and community members join us to have some fun and connect as a community. Thanks again to the School Governing Council for the sausage sizzle and the Progress Association for the ice blocks after the run. Also, a massive thankyou to Brenton Stratford for bringing the water truck and ensuring the coloured powder stuck to our wet clothes. I think everyone would agree that the afternoon was lots of fun and there were many happy people in our school. Also, thanks to the Middle School and Primary Student voice groups who organised activities for the end of the day. We are already planning our next colour run for 2023.

YEAR 10/11 CAMP

21 Year 10 and 11 students stayed at Donington Cottage in the Lincoln National Park last Tuesday night. While away they participated in a paddle boarding, kayaking, and surfing. They enjoyed staying at Donington Cottage in the Lincoln National Park.

SCHOOL SPORT SAPSASA TENNIS

Tennis was the final team Sapsasa sport for 2022 that Lower Eyre Peninsula participated in. The team played in Division 4 at Seaside Tennis Courts at Henley Beach and won all of their five round robin matches. All the districts in the division were Country Districts. This is the second year in a row that the LEP team has won that division and will be promoted for the State Tennis Carnival in 2023. Well done Jaiden Jefferson & Brodie Burford!

Results

LEP defeated North Eastern 18-0 sets

LEP defeated Central EP 17-1 sets

LEP defeated Onkaparinga North 12-6 sets

LEP defeated Upper SE 14-4 sets

LEP defeated Western EP 16-2 sets.

Colour Run

Yr.10/11 Surf Aquatics Camp

CHRISTMAS LIBRARY CLOSURE

Tuesday 20th December 2022

→ Wednesday 11th January 2023

School asbestos removal has resulted in an extended closure period.

Be sure to loan enough books prior to cover this time frame. Inter-library loans will also cease over this period.

Thank you for your understanding & patience.

MERRY CHRISTMAS

MID-YEAR INTAKE - INFORMATION FOR PARENTS

We are introducing a mid-year intake into preschool from 2023 and for school (reception) from 2024.

STARTING PRESCHOOL

From 2023 children who turn 4 years old:

- **before 1 May** continue to start preschool at the beginning of the year
- **from 1 May to 31 October** start preschool through the mid-year intake at the start of term 3 of that year
- **after 31 October** start preschool at the beginning of the following year.

Children will undertake 4 terms (1 year) of preschool, regardless of whether they start at the beginning of the year, or through a mid-year intake.

Further information about how to submit registration of interest for mid-year entry to preschool will be available soon.

STARTING SCHOOL

From 2024 children who turn 5 years old:

- **before 1 May** can start primary school (the first year is known as reception) at the beginning of the year
- **from 1 May to 31 October** start school through the mid-year intake at the start of term 3 of that year
- **after 31 October** start school at the beginning of the following year.

Students who start school at the beginning of the year will complete 4 terms of reception.

Students who start school through a mid-year intake (start of term 3) will complete 6 terms of reception.

CHILDREN WITH DISABILITY OR ADDITIONAL NEEDS

If you have a child with disability or additional needs, talk to the principal or preschool director about the starting time that best suits your child's needs.

FURTHER INFORMATION

Our website has key information for families starting preschool and starting school.
Further information on the mid-year intake will be released as we progress.

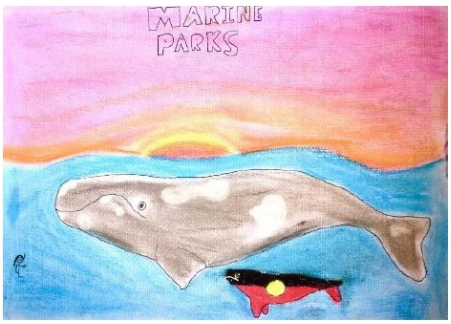
Art competition celebrates marine science education

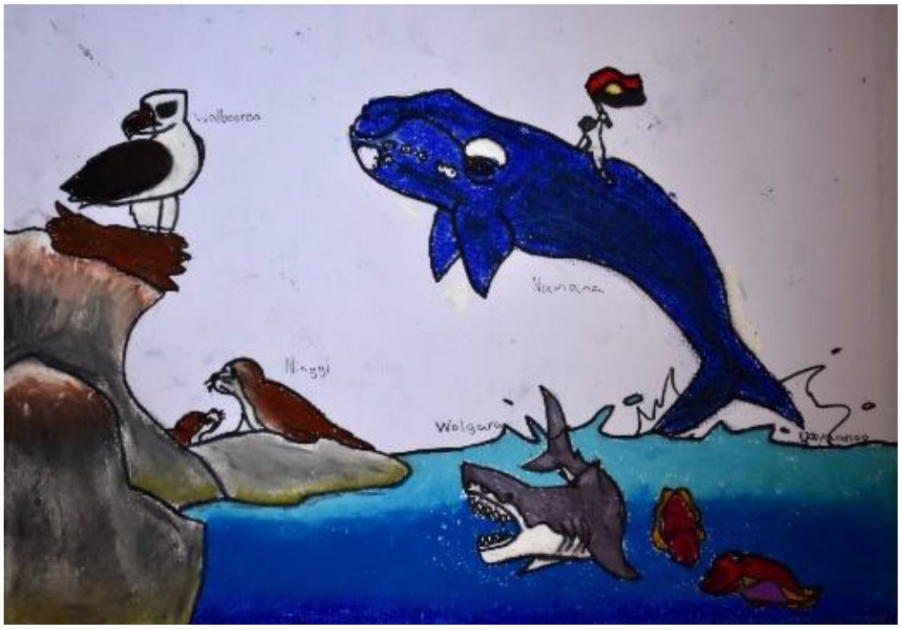
Andrew Stanley

Ashlee

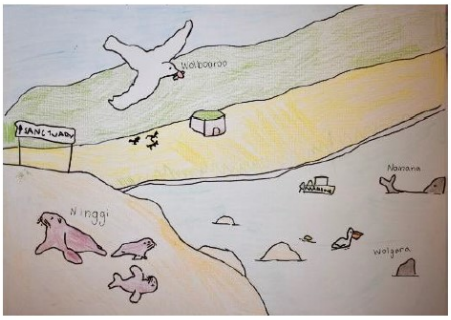
Indy



Paige, Matilda and Phoenix



Somma and Mieka (Winner)



Brock

Armani and Marni

The Tumby Bay Area School winners have been announced in a state-wide school art competition aimed at increasing young people's knowledge of South Australian marine life and Australian Marine Parks, and inspiring students to consider careers in the environmental sector. Middle School students were inspired to create their art following a presentation from researchers at the University of Adelaide and local Marine Park staff last term.

School winners will take home marine park experiences, such as swimming with the sea lions, a boat trip to go whale watching, and snorkelling with cuttlefish. Shortlisted students received a marine park showbag including Fab Five tote bags, national park passes, hats, entry to the marine themed museums, badges, and stickers. The winning and shortlisted artworks are featured above.

The students' art will be on display in an exhibition at the University of Adelaide Library's Ira Raymond Room (level 3), from Tuesday 29 November to Friday 2 December. The exhibition can also be viewed online at www.fabfive.gallery.

Experts from the marine world judged the artwork based on the criteria the artworks had to include one of the "fab five" South Australian marine species (sea eagles, white sharks, sea lions, southern right whales, and cuttlefish), something to represent a marine park, and something to represent Sea Country.

The Children's University Graduation was held on Wednesday 30th November at the Nautilus Theatre in Port Lincoln.

Just under 100 Graduates from schools around the Eyre Peninsula attended the ceremony.

Professor Richard Logan and Professor Luka Prisciandaro from the University of Adelaide were there to present the students with their awards.

Congratulations to the students from Tumby Bay Area School who were awarded National Bronze Awards for successfully attending Children's University for 30 hours.

A special Congratulations to Peyton Wait who was awarded National Gold Award for Successfully attending Children's University for 100 hours.

We look forward to continuing our involvement in the Children's University next year.

Tumby Bay & Districts OSHC

Term4 wk 7 2022

Student Free Day —Friday 2nd December OSHC will be open on . We realise this is late notice and we will endeavour to accommodate your children.

Vacation Care — is nearly upon us and we have been discussing ideas. Please refer to the following page and to book in as soon as possible. Thank you

OSHC Curriculum supports children's wellbeing

We know children needs of food, rest and comfort are so important in after School care just as they are when arriving home from School. We can support learning and exploration of different cultures including trying different foods.

Tyra, Louie & Georgia

Scarlett Southern helped educators to make & serve cold rolls.
Violet chose the vegetables she liked for hers.
Georgia provided a safe and positive cooking experience for Tyra and Louie.

Violet

Teaching children we are all are important and unique is a way we talk about Inclusion at OSHC.

Matilda
Imogen

We discussed how we could support Imogen's gluten free diet. Sarah provided gluten free flour so all children could make this new play dough. Opportunities are used to learn, we know children when they feel safe, nurtured and included.

Dragons

ARTS
A Dragon is made up of many animals –Sophie's interpretation.

COOKING
Mason made a dragon for dad & love hearts for mum & Faye

OSHC -mini Olympics

Tuesday saw all the ideas & planning and the games began. Quoits & beanbags throws, wheelbarrows to push, sack & running races, skipping & balloon challenges. Full afternoon!

Standing -Mia, Luka, Georgie, Ayla, Tyra, Violet, Spencer, Lola
Sitting –Noah, Mia, Charli, Rory, Chase

December Vacation Care

Session Times	Monday 19th — Rette, Sarah	Tuesday 20th — Rette, Danica	Wednesday 21st — Sarah, Danica
am-8am — 1 pm pm-1pm — 6pm **We supply a snack savoury, fruit or vegie. snack.**	Nuts & Bolts Snowmen & Snowballs	Gift boxes & cooking Christmas Decorations	Apricot balls Printing paper wrapping

Everyday = bring a HAT + healthy nutritious lunch + water bottle + extra clothing + towel

Bookings are essential and absences can be used as cancellation

Available for rent from this Saturday, the 3rd of December 2022 is a freshly and substantially renovated 1 storey high brick veneer house in Tumby Bay, only one block from the ocean.

The house is freshly painted, and there is new vinyl plank flooring throughout, and brand new items fitted that are under warranty are a mains pressure 250 litre hot water unit, a 3kw reverse cycle air conditioner, a S/S Bosch dishwasher, a S/S Ariston 600mm stove, and canopy range hood.

It has 3 bedrooms with ceiling fans, new block out roll down blinds, and sheer curtains, with a tiled bathroom, (with separate bath and shower in it) separate toilet, and separate laundry. The semi open plan kitchen, dining and lounge room can be closed off from the passage way leading to the bedrooms and 3 wet rooms. The ceiling has blow in insulation, and all lights have been replaced with new energy saving LED's and the house is fitted with a grid connected solar system.

There are two water tanks, with a total of 30,000 litre capacity, that can be switched to feed the house with rainwater.

There is an undercover car port, and 1/2 of a 9 x 6 m powered, lockable shed, with a click to open roller door, fitted with a work bench, and shelving units. The other 1/2 of the shed is sectioned off, for the owners use as a storage shed.

There is a huge rear patio for outdoor entertaining, with shade cloth sides, which, along with a smaller shade house, and galvanised plant racks, would be a joy for people wanting to house and care for their potted plant collection.

The gardens are extensive, with productive peach, apricot, apple, pear, orange, tangello and lemon trees, a large asparagus patch, with many more varieties of fruit trees and herbs have just been planted. There are 3 battery operated dripper systems in use, and all the garden beds have been freshly (and heavily) mulched.

All that is required to fully furnish the house are beds and an outdoor setting. It comes with 2 full size fridges, (one currently in the lockable shed) a front loading washing and separate dryer, a microwave, a TV with Google Chrome, and a vacuum cleaner. Electrical items would be supplied on a basis that the tenant would be required to fix or replace any items that fail during the tenancy, with similar condition second hand ones. Furniture consists of a 7 piece dining setting, a near new leather lounge suite, bar chairs, a coffee table with timber stools, 3 x bed side tables, 4 x wardrobes, (there are no built in wardrobes) 2 x laundry cupboards, 2 x book shelves, a china display cabinet, a TV unit, a gas BBQ, and gardening tools.

Alternatively, the successful applicants can pick and choose which items they would like to use, and the rest can be stored in the owner's 1/2 of the shed. This will not reduce the weekly rental obligations.

Rent is $350 per week, payable 2 weeks in advance. Electricity costs, insurance of their belongings, internet access costs, and excess water costs above a negotiated limit will be the responsibility of the tenant. Pets by negotiation.

Applicants will need to demonstrate the financial capacity to meet the rental obligations, and have glowing references from current or past landlords and/or real estate agents. Preference will be given to anyone able to additionally supply character references, and who are willing to show the owner through where they live now, including gardens maintained by themselves.

Further preference will be given to anyone who is a passionate gardener, wanting to grow their own vegetables and herbs, treat existing plants for insect attack and diseases, deal with weeds, and who is able and willing to carry out small household maintenance tasks as they arise, with the owner supplying materials. The owner can supply a substantial amount of garden chemicals, equipment and fertilisers in advance.

The successful applicants will be offered a 12 month RP Emery South Australian lease agreement, with a 4 week bond ($1,400) to be held by RBO, who will also require applicants to prove their identity through their Document Verification Service. Sub leasing is not permitted.

The owner has no plans to live in the house himself, or to ever sell it, so it would suit tenants wanting to reside there for many years to come. There will be no quarterly inspections. If you look after the house, it's contents and garden, and pay your rent on time, you will be well looked after when it's time to renew your lease.
