Leadership Report

Leadership Report

We recently held our TBAS AGM where we presented the Annual Report and elected our new committee. Congratulations to Sam Stasinowsky who takes on the role of Chairperson, please read her report later in this newsletter. We give a huge thanks to Emmy Hennell who has led us over the past 3 years so well and had such a positive influence on our school.

We are very excited to be participating in 'At The Bay' next weekend and have a wall painted to compliment our other artworks. James Pedler is such an iconic artist in our region and we can't wait to see what he produces for us. Our classes are also showcasing pieces of artwork so please ensure you wander past our school on the weekend and check out our talent.

Kurra is here! We have welcomed our school therapy dog and he has already made a significant impact. Research tells us that students working with therapy dogs experience increased motivation for learning resulting in improved outcomes and have a huge range of benefits including: increased attendance, gains in confidence, positive changes towards learning and motivation, enhanced relationships with peers and teachers and decreased anxiety resulting in improved learning outcomes for all subject areas and specific goals around reading and writing. We look forward to having Kurra positively impact learning and wellbeing at TBAS.

Local Delivery

"Local Delivery" is a name given to courses which are delivered by other schools "locally" on the Eyre Peninsula. Teachers who provide this service are specialists in their field and enable other EP schools to tap into this expertise and broaden the curriculum options for DfE students across the EP. This is done by regular "Zoom meeting"- type lessons and occasional face to face instruction, when the host teachers visit the client schools. We have two Local Delivery teachers here at TBAS. Andrew Stanley, who delivers senior secondary Science courses, and Sarah Southern, who delivers Stage 2 Child Studies. We also currently have two year 11 students who join classes based at Cleve AS and Port Lincoln HS.

This unique arrangement has been developed over the last few years and has proven to be highly successful. To start the semester of Local Delivery off well, Stan and Sarah travelled with our two LD students to Wudinna on Friday of week 2 (5th Feb) for their initial face to face get together with their respective host teachers, LD classmates and client-school students. From all reports, the day was highly valuable in forming initial bonds with the people more regularly seen on a computer screen.

Year 12 Parent, Staff & Student Dinner Meeting

I previously mentioned this as an upcoming event in the last newsletter. The dinner meeting, held on Monday week 3 (8th Feb), was very well attended by our year 12 students, parents and their teachers and support staff. The catering provided by parent volunteer Jess Bennett and her helpers, son, Fletcher and assistant, Annette Hammond, was simply superb! Key points for the evening were:

- Beautiful food and opportunities to catch up casually,
- Great insights from Alex (class of 2020) and Shae (mum from class of 2020),
- The variety of support structures which are in place to support our year 12 students.

Communication is key to supporting our year 12s, and this evening was a good start on this.

Medical Students' Presentation

Our Senior Secondary students were fortunate enough to have two young adults provide an insight into their pathways towards becoming doctors on Thursday of week 3 (11th Feb). While speaking to the whole year 10, 11 and 12 group, they helped us all to understand how they completed their schooling successfully and then what university life is like.

The 2nd year Medical students, Violet & Emily both happened to be on placement here at the Tumby Bay Medical Centre at the time. The young women both look forward to visiting Tumby Bay for more practical experience on future placements at various times throughout their years of study.

Dux Assembly

Our first R-12 assembly was held on Friday afternoon of week 3 (12th Feb) in the Soldiers' Memorial Hall. We were grateful to the Year 5/6 students for setting up and hosting this special assembly.

Former TBAS year 12 student, Desi Franks accepted the Dux award before heading to Adelaide to start her university degree in Journalism. She gave an excellent speech, describing her journey through school, towards her ultimate success of achieving Dux of the school with the highest ATAR for 2020. It was particularly valuable for our Senior Secondary students to gain an insight into Desi's keys to success in SACE. We wish Desi well in this new, exciting chapter of her life.

Other highlights of the Dux assembly included the announcement of House Captains and introduction of our Kindness Committee members, along with our Student Voice members who were all presented to the school community. It was wonderful to have our year 12 students on stage with their new Reception student buddies as they introduced them to everyone while giving them a book to mark the occasion. Thank you to the parents, grandparents and friends who were in attendance to witness these special moments.

Work Experience

Our year 10 students are currently considering their upcoming Work Experience placement options with the guidance of their Personal Learning Plan teacher Mr. Joel Pope.

On Tuesday week 5 (23rd Feb), the year 10s were lucky enough to have our Eyre Peninsula DfE Vocational Pathways Consultant, Dianne Fitzgerald join them to give some expert advice on Work Experience. This advice should prove to be valuable as our students embark on the task of seeking out potential employers to take them on for a week of Work Placement early in Term 2. From past experience, this promises to be a highly valuable week to provide the students with a feel for the job which they think might interest them.

If you are a local employer who is approached by one of our students, please consider giving them the opportunity to spend the week with you and feel free to contact me if you have any queries about the arrangement.

Swimming

Last week the year 4-7 students participated in swimming lessons at Cummins in the lead up to Swimming Carnival. It was a great opportunity for students to build their swimming capacity in preparation for the carnival. This week the year 1-3 students get their opportunity to participate in lessons to continue to develop their ability in the water and build knowledge on water safety.

Footsteps Dance

R-7 classes along with Port Neill Primary School will be involved in Footsteps dance next week. We look forward to working with the students from Port Neill and learning some new dance routines. The Port Neill students will join in with our classes and engage in their learning programs between dance lessons. Keep an eye on Seesaw for an invitation to watch the final performance.

Congratulations to our Primary Student Voice Leaders and reserves for Semester One: Noah Ringwood, Oliver Clark, Henry Roeger, Jack Caulfield, Ollie Treasure, Chloe Treasure, Scarlett Southern, Rahni Smith, Hazel Moss, Zara Seaman, Tannah Povey, Meisha Doley, Abbie McPharlin, Shannay Povey, Kalani Doley, Jacob Carr, Narrah Tierney.

Primary awards

At each Primary assembly 3 students from each class are recognised for displaying the learning dispositions of Grit, Resilience and Self-Regulation. Congratulations to the following students who were recognised at the Week 3 assembly:

Class	Grit	Resilience	Self-Regulation
R/1	Spencer Collings	Koa Lodge	Tate Bodington
Year 1/2	Rafael Lawrie	Isabelle Carr	Reef Borg
Year 2/3	Annabel Modra	Selena Collins	Jaxon Dillon
Year 4/5	Thea Foster	Meisha Doley	Lily Cave
Year 5/6	Rebecca Sharman	Jalen Burgoyne	Tyler Bowen

Arrival Time at School

We currently have many students arriving to school very early. We ask that students arrive at school **between 8:30am and 8:45am** as this is when classrooms are open and teachers are on duty in the yard. As a site we cannot accept responsibility for your child/ren's safety before 8:30am.

Governing Council Report

The School Governing Council AGM was held recently and I found myself as Chairperson. I take it as an honour and a true responsibility to the school community to be in this position knowing that there is a full team, existing and new people, of council members in Executive and General committee working along beside me. I have been a part of SGC since Lance started school, previously holding Secretary and Treasurer titles. Our Council holds meetings twice a term and all are welcome to attend.

I would like to encourage all families to be an active part of the school community wherever possible. While everyone may not be interested in official meetings there is a hope to reinvigorate Parents and Friends, or you may have a skill or some volunteer time to offer a class. (Covid19 permitting we can continue to have community members on site). The best model you can give to your child is to be engaged and interested in our school community, having ownership of something builds respect and a desire to do their best.

Please contact myself or any other council member if you need help finding a way to join in, or if you ever have any concerns that you feel you can't raise with school staff.

Regards

Sam Stasinowsky

Open Boys Cricket

On Tuesday 9th February, Tumby Bay Area School hosted a 40 Over Cricket Match for Open Boys at the Town Oval in perfect sunny conditions for cricket.

The Open Boys the team played Navigators at the Town Oval with Tumby Bay scoring 10/112 to Navigator's score of 8/158.

Captain Mortlock Carr won the toss and elected to bat. Tumby Bay's top order struggled with Navigator's strike bowlers with the team in trouble at 3/18 off only 5 overs. A 23 run partnership between Brody Stratford 21 and Carr steadied the ship, before another middle order batting collapse. An 8th wicket partnership of 36 runs between Henry Challinger 18 and Ben Devine 5, saved the day to set a competitive total of 112 off 35 overs.

Opening bowler Oz Richardson, provided the perfect start taking a wicket in the first over of the innings. Some aggressive batting by Navigator's top order and a number of dropped catches in the field quickly put pressure on the Tumby Bay team. Navigators comfortably passed the target score in the 18th over, with their innings concluding in the 28th over on 8/158. Pick of the bowlers were Luke Hennell 2/6 who was on a hat trick, Brody Stratford 2/18, Ben Devine 1/9, Oz Richardson 1/18 and Flynn Webb 1/29.

Wickets Tumble and Runs Scored at Year 8/9 20-20 Cricket

On Thursday 18th February, Tumby Bay Area School hosted a 4 team Lower EP 20/20 Cricket Carnival for Year 8/9 students at the School and Town Ovals in perfect sunny conditions.

Tumby Bay entered 2 teams in the Carnival, with Navigators placed 1st, Tumby Year 9's 2nd, Port Lincoln High 3rd and Tumby Year 8's 4th.

Round 1 saw the TBAS Year 8 team 7/53 easily defeated by Navigators 4/56 at the School Oval, with Tyree Burgoyne scoring 30 runs and taking 1/5, along with Harry Lebrun 1/9, Alby McDonald 1/10 and captain Jesse Jackson 1/11.

On the Town Oval the TBAS Year 9 team 7/108 scored too many runs for Port Lincoln High 5/69. Captain Harvey Masson started confidently hitting 17 off the first 2 overs before being caught. Brody Stratford was aggressive smashing 35, with Henry Challinger 12 and Luke Hennell 10, also providing good support.

After a lunch break TBAS Year 8 team 6/77 narrowly lost to Port Lincoln High 6/79 at the Town Oval. Alby McDonald top scored with 21, Tait Hetzel 12 and Tyree Burgoyne 10. Wickets were shared between Tyree Burgoyne 2/10, Jesse Jackson 1/9, Michael Purea 1/10, Harry Lebrun 1/2 and Breanna Anesbury 1/4.

At the school oval the TBAS Year 9 team 10/71 struggled to make runs and lost to Navigators 3/72. Harvey Masson made a rapid 25, Mitchell Bates 13 and Brody Stratford 9, with wickets taken by Henry Challinger 1/0, Nick Cave 1/4 and Luke Hennell 1/5.

The carnival provided the opportunity for 8 TBAS students to play their first ever cricket match, along with 2 students from Lock to participate too. Players of the Carnival was awarded to Tyree Burgoyne for the Year 8 team and Harvey Masson for the Year 9 team.

2021 Receptions So far at school I love...

...drawing because it makes me happy.

Sophie

...drawing pictures of stuff.

Matilda

...learning Maths because it's fun.

Eddie

...when you get to go into rhyming because we get to put thumbs up or thumbs down.

Nala

...playing with my friends because it's really, really fun.

Tyra

...doing puzzles because they are fun.

Spencer

...making big towers so other people can fit in there.

Ollie

...playdough because that's my favourite.

Tate

...watching the TV when I'm with Mr Pope watching dinosaur videos.

Louie

...playing dinosaur games because it's fun.

Hewston

...playing with everyone because that makes me happy.

Rhyleah

....that there are so many things.

Henry

....the teddy hunt and we looked for the teddy.

Xavier

....drawing and cutting out because it's a real thing.

Koa

Records Melt as Yarranyacka Wins 2021 Swim Carnival.

Shane Masson PE/Sports Coordinator

Yarranyacka defended their 2016-20 titles in the pool by winning their sixth straight carnival at the Tumby Bay Area School Swimming Carnival, which was held at the Cummins Pool on Friday 19th February in perfect warm sunny conditions. Yarranyacka's depth of swimmers in sub junior, junior, inter and senior age groups, particularly in the medley and freestyle relays, gave them the advantage over the emerging Pintaboo and the improving Meringa teams.

The novelty events once again proved to be popular amongst spectators and participants across all age groups including the peg scramble, tube races, rescue relay and surfboard paddle. Yarranyacka's strong team effort enabled them to closely win the Novelty Shield from Pintaboo and Meringa.

3 significant long standing records were all broken by Mardi Masson in the Senior Girls 50mA Freestyle (Jenny Maguire 1975), Senior Girls 50mA Breaststroke (Jenny Maguire 1975) and Senior Girls 100mA Freestyle (Jenna Hibble 2003). Mardi now holds the Freestyle records for the Sub Juniors, Juniors, Inters and Senior Girls age groups.

Well done to the Parents who outclassed the staff and student teams in the Staff/Students/Parent 4x25m Medley Relay to conclude the carnival.

The day was successful due to :

- ◆ Staff, Parents and students arriving early to help set up the pool area
- ◆ Rhianna Carmody as the official photographer
- ◆ Bus drivers for transporting the students to Cummins
- ◆ Johnny McIntyre as announcer kept the carnival running on schedule
- ◆ Darian Treasure for marshalling the students into events
- ◆ Kelsey Beinke and Roxanne Richardson for ensuring the scores were correct
- ◆ All the staff and parents who assisted with events
- ◆ House captains for their positive leadership, organisation and fantastic support
- ◆ The students for their participation, enthusiasm and friendly competition
- ◆ To all the parents and staff, who stayed behind after the carnival to assist in packing up equipment and cleaning up the pool area
- ◆ Robyne May and all the swim instructors from the Cummins Pool who developed the students water confidence and stroke technique via the primary swim lessons and the secondary classes earlier this term

Thank you to Cummins Swimming Pool for the use of their facility and providing the canteen.

Well done Yarranyacka and good luck to all three teams in the upcoming sports day on Wednesday the 10th March.

Individual Winners

Sub Junior Boys

- 1st Arthur Pucci
2nd Dallas Robertson
3rd Jalen Burgoyne

Sub Junior Girls

- 1st Kalani Doley
2nd Storm Miles
3rd Abbie McPharlin

Inter Boys

- 1st Harvey Masson
2nd Henry Challinger
3rd Mitchell Bates

Inter Girls

- 1st Taryn Beinke
2nd Caitlin Jefferson
3rd Zahara Miles

Junior Boys

- 1st Tyree Burgoyne
2nd Leroy Richardson
3rd Alby McDonald/Max Pucci

Junior Girls

- 1st Poppy Stoddard
2nd Elke Allen
3rd Eade Calderwood

Senior Boys

- 1st Henry Challinger
2nd Ned Prosser
3rd Jarrad Carpenter

Senior Girls

- 1st Mardi Masson
2nd Taylah Isaac
3rd Katelyn Rynne

Year 7 Home Economics

Our year 7 students have been learning about safe food practices and the importance of using procedural texts to produce successful recipes. The students have enjoyed preparing a range of recipes including muffins, savoury scrolls, fried rice and this week we tackle apple crumble with homemade vanilla custard!

Year 8/9 Home Economics

This term our focus has been around foods native to Australia and those that have been introduced through migration. Students have prepared a number of recipes including: Lemon myrtle, raspberry and white chocolate blondies, chocolate eclairs, chicken pies with homemade pastry and homemade fettuccine carbonara pasta.

Year 11 food and Hospitality

The team have been working their way through their first assessment by planning, preparing and selling takeaway café style lunches for staff. This has included homemade pasta, chicken curry, gourmet salad and risotto.

Year 12 Food and Hospitality

Ella Rodda and Georgia Stratford have been busy preserving a range of recipes for our upcoming street stall. This task enables the girls to showcase skills in preservation and strategies to inhibit bacterial growth. Come and find us

Outside of Foodland on Monday March 1st from 1 pm – 3 pm or until sold out. The proceeds cover production costs and assist us to purchase new equipment for the centre.

APPLYING FOR A SCHOOL CARD

All types of School Card applications are now online.

You can access the online forms from any device that gets internet, including mobile devices, such as tablets and smart phones, as well as laptops and computers.

Applying online is easy! Simply follow the steps below.

STEP 1 Visit sa.gov.au/education/schoolcard

STEP 2 Select the type of School Card you would like to apply for (for example 'Type A') and follow the prompts.

STEP 3 Complete all mandatory fields.

Please note: you cannot submit your application unless all mandatory fields are complete.

STEP 4 Once you have completed a page click on the 'NEXT' button.

STEP 5 Once you have filled out all pages click the 'SUBMIT' button.

Please note: if you exit the form without clicking 'SUBMIT' your details will be lost.

You can save the form, and return to complete it at another time, by clicking on the 'SAVE' button.
