

Term 1  
Week 8

Thursday 18th March  
2021

# Tumby Bay Area School

Newsletter

## Leadership Report

It has certainly been a few busy weeks for the Tumby Bay Community, so fabulous to see our town come alive for @ The Bay and Colour Tumby Street Art Festival. At TBAS we were fortunate to have our own artwork created by the talented James Pedler, have Bronte Naylor as creator of the historic mural engage with our Art students and a Fringe installation on site during the weekend. Our P&F Fundraising group also participated in the market and did an amazing job to run the juice bar and raise significant funds for our school. Thank you to all involved for your amazing efforts!

### SIP

We continue the work outlined in our Site Improvement Plan with our focus on Reading Comprehension from R-12. In 2021 we have consolidated our work and are increasing precision for our cohorts. We are committed to unpacking and teaching the skills of 'what good readers do' to ensure all students have the skills and capacity to accelerate their understanding and achievement. Data is guiding us in the specific teaching points for each student as we track and monitor impact, plan next stages and the targeted explicit teaching points to address our success criteria.

### NAPLAN

After cancellation of NAPLAN in 2020 we are now in the process of preparing for the online testing to be carried out in Term 2. Tests are completed in years 3,5,7 and 9. Below is a short piece from the NAPLAN website explaining what NAPLAN is about. The website is open for anyone and if you would like to know more about it I encourage you to explore the website further. If you would like to discuss your child and NAPLAN with someone at the school, please arrange a time to come in and see us.

*NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress. <https://www.nap.edu.au/>*

### Sports Day

Last Wednesday was the TBAS annual Sports Day. A fabulous array of athletic ability was on show as students competed for individual and team points. Our younger students who made it a true R-12 Sports Day were also a highlight and they certainly know how to draw a crowd. Thank you to our Sports Committee for your organisation, the Parents and Friends Fundraising group for running the canteen and our staff who work tirelessly to make it all happen. Look for the further report on Sports Day later in this newsletter.

### Metropolitan Fire Service - Road Awareness Program

On Friday last week, our Year 10, 11 and 12 students were joined by the Cummins Area School Year 11s to take part in a Road Awareness Program (RAP) presentation. RAP delivered a hard hitting and engaging presentation about the importance of road safety and our responsibility in creating safer roads. The presenters, Josh from the MFS and his crash victim Yudhi, shed light on some challenging truths about risks, decision making and outcomes and human impacts caused by crashes. RAP reminded us that while we can choose the risk, we cannot choose the consequence. Our year 12 leaders, Georgia and Tayla thanked them on behalf of the group for generously sharing stories and information that inspire us to be more selfless and community minded decision makers on our roads.

*Some of the audience joined their presenters and local CFS guest, Tyler Hutton for a group photo at the conclusion of the presentation.*

### Traffic Light Letters

All Middle and Senior School students will have a 'Traffic Light' letter posted this week to give families a clear picture of your child's start to 2021. The colour does not only represent the current academic achievement but factors such as engagement, behaviour, organisation also contribute. Traffic lights are designed to give you an indication of how well your child is meeting their own individual goals and if they are striving for their personal best. Interviews will follow in Week 10 so we encourage you to book a time in to discuss all aspects of learning with us.

### Footsteps Dance

Thank you to all the parents/caregivers who came along to the Footsteps presentation in Week 6. It was incredible to see the students perform all their dance routines that were learnt in such a small amount of time. The learning that took place was amazing and the students showed high levels of engagement over the course of the program. Having the students from Port Neill Primary School join us was also a highlight and some great new friendships were formed. We look forward to working with Footsteps Dance again in 2022.

### Primary awards

At each Primary assembly 3 students from each class are recognised for displaying the learning dispositions of Grit, Resilience and Self-Regulation. Congratulations to the following students who were recognised during Week 5 and 7:

Class	Grit	Resilience	Self-Regulation
R/1	Nala Cook Sophie Wilson	Louie Smith Henry Roeger	Oliver Turner Tyra Gates
Year 1/2	Benjamin Barney Ethan Lawrie	Peyton Wait Alec Moss	Jack Caulfield Xavier Russ
Year 2/3	Ayla Seaman Huon Webb	Harlan Gates Camdan Searle	Colton Yager Evangelene Carr
Year 4/5	Jaiden Jefferson Isabella Arnsby	Jacob Barney Tannah Povey	Akeyla Coleman Dallas Robinson
Year 5/6	Amali Barnett Eade Calderwood	Jacob Carr Damon Dillon	Isaac Ambados Tully Robinson

### Arrival Time at School

Another gentle reminder we still have students arriving to school too early. We ask that students arrive at school **between 8:30am and 8:45am** as this is when classrooms are open and teachers are on duty in the yard. As a site we cannot accept responsibility for your child/ren's safety before 8:30am.

It is a requirement for parents/carers to ensure they sign their child/ren in and out through the front office for either a late arrival or early departure. For many reasons, including OHSW, it is extremely important we have record of all students on site.

## Covid-19

A quick update on some school requirements that are still in place due to Covid-19:

- ⇒ It's important that students stay home if they are unwell.
- ⇒ Adults, including parents must continue to physical distance wherever possible, including at school pick up and drop off or when attending school events.
- ⇒ All adults, including staff and parents, are expected to COVID SAFE Check-In when entering classrooms/buildings on site. At this stage it's not necessary to check-in at the school gate to enter school grounds.
- ⇒ The current increased cleaning at all sites will continue.
- ⇒ Schools are advised against booking interstate camps due to the changing nature of border restrictions.

## Resilience Project 2021

The students have been engaging in the Resilience Project for 4 weeks now. We are grateful to have the opportunity of working with this amazing resource to ensure student mental health and wellbeing is supported. It is a wonderful and proactive way to look after everyone's wellbeing. When asking the students about how they are finding the RP, they have been quite articulate in their responses. Please see below what some of our students have quoted when asked what the Resilience Project means to them...

### Year ½

It makes me warm inside and I feel happy.

I like it because it makes me feel happier

I like how it makes me feel relaxed

I like to write things down about what I'm grateful for

### Reception

*It helps people be happy.*

When someone's hurt you can help someone and they can be grateful

I ENJOY PRACTICING GRATITUDE AS IT MAKES ME HAPPY

### Year 5/6

**It's good because it is funny to listen to Martin**

IT SHOWS US ALL THE EMOTIONS

### Year 9

**It tells us about Martin's life story and how hard it was. I feel better after doing it.**

There are fun activities to do and there is not as much writing to do.

I am finding it useful because I feel better mentally.

### Year 7

I like the videos of Martin because he is funny.

I feel grateful for my life

I like the videos because they are entertaining, and I feel more grateful for what I have in my life

*I think it is very good for everyone's wellbeing because it shows how to be happy and positive in your life.*

**Everyone focuses during the videos because they are funny and entertaining.**

### Year 11

I am feeling more positive because of the RP

It's a positive opportunity for us to engage in.

For more information ask your child about the Resilience Project experience

## Harmony Week Activities

With Harmony Week taking place from the 15<sup>th</sup> - 19<sup>th</sup> March, there has been a focus on the topic of inclusiveness, respect and belonging in classes this week. We have also been lucky to have our wonderful Kindness Committee organise several activities at lunch time. These include: a colouring competition, balloon making, mural painting and games from around the world being played on the oval. Thank you to the Kindness Committee for spending their lunch times helping us learn about this topic.

## Pastoral Care Worker

### Miriam Telfer

Well it's been a busy term so far. I really enjoyed helping out at the swimming carnival a few weeks ago, as well as sports day last week. It's also been fun getting involved in footsteps dancing, doing some chalk street art and helping with a gratitude scavenger hunt in well-being for learning. I'm looking forward to what's coming up over the next few weeks. Just a reminder that I'm in the school to provide extra support to students, staff and parents. This might be through classroom support, working with small groups on particular issues, going on excursions, or just being around in the yard for a chat.

I'm here on Tuesdays and Thursdays and if any students, staff or parents need to contact me, they can call me at the school on 8688 2003 or email me on [miriam.telfer236@schools.sa.edu.au](mailto:miriam.telfer236@schools.sa.edu.au).

# Year 6/7 Basketball

On Wednesday 24<sup>th</sup> February Tumby Bay hosted the Lower EP Year 6/7 Basketball Carnival. It was a great challenge for the students as most have never played Basketball before, along with a different brand of basketball was played with half court presses and one on one defending.

A record number of nominations saw 24 teams compete during the day. The Girls team were placed 5<sup>th</sup> in Division B with 3 wins, while the Boys were placed 3<sup>rd</sup> with 4 wins and a draw.

Thank you to the following who assisted with the coordination of the carnival.

- ◆ Nyrie Baillie for timekeeping, scoring and announcing
- ◆ Andy Allen who scored all day
- ◆ Mardi Masson, Harvey Masson, Taryn Beinke, Tennent Carr and Maisie Curtis who assisted with umpiring, coaching and scoring
- ◆ The Tumby Bay Netball/Football Clubs for running a successful canteen. Thank you to Alison Wilson and Richard Hennell for coordinating the catering.
- ◆ Tumby Bay Council for cleaning the toilets before the carnival

Shane Masson

Year 7 PE Teacher/Sports Coordinator

 Directed drawing provides students with lots of practice each week building drawing skills and following step-by-step instructions.

## SPORTS DAY

SPORTS DAY 2021  
  
 On Wednesday the 10<sup>th</sup> of March we had Sports Day. I was in the red team. My teacher was Mrs Stratford. We did the 50m race first. I did not the next we got 23 balls we lost. Then we went to the big jump. Next we did the peapod toss. I got very fast. Finally we did long jump. I felt happy.  
 Written by: [Name] 11-3-21

SPORTS DAY 2021  
  
 On Wednesday the 10<sup>th</sup> of March we had Sports Day. I was in the red team and I won the 50m race. We went to rob the net. We got 23 balls. Next we went high jump and it was fun. In the end we went to the goal. We went to the goal. We did long jump. It was fun.

## The Resilience Project

# Colour Tumbly

We are very lucky to have so much awesome art right here in Tumbly Bay. Prior to the festival artist Brontë Naylor visited our year 10/11/12 Art class and spoke about her art and techniques. This was a fantastic opportunity for students to ask questions. Students then observed Brontë in action and learnt about how she 'marks up'. Each class created a mini mural, you will find them displayed on the MS fence line. They will be there for another week. We would like to thank all of the artists, volunteers and organisers of the event.

*How lucky are we to have another artwork in our MS area!*

*Art class observing Brontë in action.*

*Artwork by the 213 class*

*Artwork by Indiana Demsey*

*Artwork by the 112 class*

# Yarranyacka Take Both Shields at the 2021 Sports Day

*Shane Masson PE/Sports Coordinator*

The wet weather did not dampen the Sports Day spirit, as Yarranyacka claimed their 7th consecutive title, by winning the 2021 Tumby Bay Area School Sports Day, which was held on Wednesday 10<sup>th</sup> March in cool overcast conditions. Yarranyacka's depth of athletes in each age group, particularly in the discus, shot put, high jump and javelin, gave them the advantage over the improving Pintaboo by 187 points who dominated the 4x100m Relays, with Meringa coming third with 349 more points behind.

Dale Murphy presented the Doug Murphy Memorial Sports Day Shield, to the Yarranyacka captains on behalf of the Murphy family, in memory of the massive contribution his father, a former staff member, made towards Sports Day and other sports at school and in the community.

The Ball Game events once again proved to be popular amongst spectators and participants across all age groups which included the spoke relay, circle gap and footy relays, with students struggling to keep their footings, due to the slippery conditions. The staff circle gap team caused a major upset against the highly fancied parents and students experience and talent too. Yarranyacka's consistent team effort enabled them to win the Ball Games Shield from Pintaboo by 40 points, with Meringa only 10 points behind.

1 new record was equalised on the day, with Lily Cave running the same time in the Sub Junior Girls 100m B, as Emma Trenberth in 1992.

The day was successful due to:

- Rob Turnbull, Donald Baillie and Hayley Masson who assisted with setting up the shades and equipment the day before and in the morning
- Alex Stratford who officially opened the carnival and Tyree Burgoyne who performed the Acknowledgement of Country
- Year 11/12 PE Students who packed up the shades on the ovals
- Sam Stasinowsky who coordinated the canteen, along with many other parents
- Kat Emes who as announcer kept the day running smoothly
- Darian Treasure for marshalling the students into the track events
- Kelsey Enright and Roxanne Richardson for scoring
- Rhianna Carmody and Hayley Masson who took photos
- All the staff and students who assisted with events and trials
- To the fantastic House captains for organising their teams
- The students for their enthusiasm and friendly competition, who supported each other no matter what team they were on
- To the R-3 students and staff who participated in the whole R-12 school sports day, it was great to have you participate during the day

To all the staff and parents, who stayed behind after the carnival to assist in packing up equipment and cleaning up the oval

Thank you to parents and grandparents who provided fantastic support to the teams and jumped in and volunteered to help run events (I appreciate your support especially with the help with the field events), the parents who donated cakes for the canteen and to Tracey Couper and Michael Butler from Butler Builders for donating the use of their safety fencing around the discus.

A team will now be selected to represent Tumby Bay Area School at the EEPASSA Interschool Athletics Carnival which will be hosted at Wudinna on the 29<sup>th</sup> March.

Congratulations to Yarranyacka on achieving the "double decker" title, in winning both the swimming carnival and sports day in the same calendar year.

# Mini Marathon

## Sub Junior Boys

THE EASY WAY TO BOOK  
**SCHOOL  
INTERVIEWS**

Dear Parent/Caregiver,

R-12 Parent/Teacher/Student interviews will be held on the Tuesday 30<sup>th</sup> March & Wednesday 31<sup>st</sup> March. Bookings must be finalised before the Friday 26<sup>th</sup> March at 3pm, when bookings for this event will close.

**Bookings are now open!**

For parents who do not have internet access, computer kiosks will be available at the front office for parents to make their own bookings. Parents may send a note to school with the approximate times they require (please include an email address for confirmation) or phone the school on 86882003. Interviews are strictly 10 minutes and spaces are limited. If you require more time with a particular teacher, please contact your teacher directly to make alternative arrangements.

*Now you can book school interviews for the times that suit your family.*

Go to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) and follow these simple instructions.

Simply enter the code  
**xhy7s**  
and press "Go"

Enter your details

Select the teachers you wish to see

Select the appointment times that suit your family

When you click **FINISH**, your interview timetable will be emailed to you automatically. If you do not receive your email immediately

**Check your junk mail folder AND make sure you have spelled your email address correctly. DO NOT DELETE the email you are sent. You may need to refer back to it.**

You can return to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) at any time and change your interviews, via a link in the email that was sent to you, when you made your bookings - until the bookings close on Friday 26<sup>th</sup> March at 3pm.

# A Flashback to Year 8/9 Project Based Learning (PBL) Achievements 2020

## Bowls Club Signage

Liam, Lucas, Kyle

Our group set out to Raise money for a sign to advertise the Bowling Club. We first made a few mock-ups of the sign and then we started working on our fundraiser called Barefoot Bowls which was the biggest thing to do but we made our money. We then started to finalise our sign and asked a few people about the design and tweaked it a bit. Our last step was to take the sign to Tumbly Print and they printed it out on the last lesson we had. We hung the sign along with a black board to write events on. We got help from Danielle Carr, Mrs Carmody, our PBL Teachers, and all the other businesses that donated prizes for our Barefoot Bowls.

## School Fire Pit & Meeting Space

Hudson, William, Henry, Thomas

GOAL: To create a fire pit that all ages can use for cooking, socialising, etc.  
CHALLENGES AND SUCCESSES: It was challenging designing while having to follow rules and regulations. A success was getting to rock rim done well and the logs in place.  
THANK YOU TO: Joel, Curtis's, & Mr McIntyre.

## Stone Wall Seating on RV Park Walking Trail

Oz, Tyson, Tash, Nick

- Our goal set for the end of the semester was to successfully create 2 nice strong stone seats along the walking path down near shooting range.
- Our challenges we had was we started with 6 people in our group then two of our mates had to be moved to another group. which was really sad
- We had Dennis Peck and Gary Hibble as our helpers

## Stobie Pole Art

Tennent, Caitlin, Emma,  
Naylene, Taryn

Our goal was to put art on the Stobie poles to make the community more colourful.  
Our challenges were finding blue board, tiles, and getting it done in time. Successes were getting it nearly done by the end of the term. We thank Karen Carr, Kat Emes.

## Jetty Lights Project Fundraising

Jarrad, Ethan, Kedon

Goal: \$2000 to fund the second phase of the project.  
Challenges: Reaching that goal  
Thanks to: Local businesses and people for their support.

# A Flashback to Year 8/9 Project Based Learning (PBL) Achievements 2020

## Pump Track BBQ Space

Luke, Mitchell, Will, Harvey

Our goal for our project was to create an area where you can place a portable BBQ so you can eat in that area and cook as well. This means that this area is more functional and can be used for longer. The challenges we picked up along the way were solved immediately as we realised that we didn't need the funds for our project after we fundraised. On the other hand, a success was being given approval by the Tumby Bay District Council. Our thanks have been sent to our two mentors (Brad Isaac and Paul Stoddard). Thanks also go to Smith Haulage, Joel Collings, Tumby Bay Progress Association and our major supporter, Tumby Concrete, as recognised by a plaque mounted on the table.

## Bench Seating on the Mangrove Nature Trail

Riley, Lance, Brody

Goal: To design and build a raised bench and seat. It was for the community, so they had somewhere to sit.

Challenges: it was challenging to get the raised bench and seat done in the time given.

Thank you to: We need to thank the Lions Club for their help.

## Kindy Nature Play Space

Sophie, Katie, Lydia, Maisie

GOAL: We wanted to create a fun nature creek for the kindy and rural care kids to interact with.

CHALLENGES AND SUCCESSES: We worked alongside Shae Franks from the Tumby Bay Kindy to design and produce a interactive creek space for the children to engage with outdoor learning. We shared our ideas and came up

with a design suitable for the area.

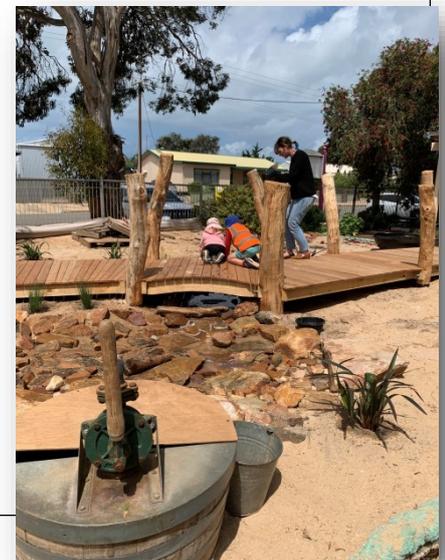

Our biggest challenge was probably trying to figure out which way the creek ran and how the drainage would work. As an add on, we designed and produced bamboo rods with acrylic magnetic fish as another way the children can interact with the new space.

THANK YOU TO Shae Franks and the whole Tumby Kindy crew for allowing us to use their space and share our ideas.

## Primary School Veggie Garden

Paige, Chloe, Siann, Thomas

We wanted to make a new space for the primary area so we decided to do a veggie garden for all kids to enjoy and use the veggies to cook. The primary classes can help with the veggie garden by watering the plants and picking the ready produce.

**UN International Women & PEACE Day** - Thank you to Dr Sophie Hamilton who visited our OSHC service last week to assist us in celebrating this day. Children were interested in listening, sharing their views and asking questions of Dr Sophie as she discussed many different types of Doctors. Dr Sophie was presented with a card children made and she left them with a little homework.

**Programmed Activities Wk 9**

(Child's Ideas)

**Monday 22nd** Baskets, Healthy muffins

**Tuesday 23rd** Olympics & egg spoon

**Wednesday 24th** Sharpie rainbow

Easter

**Thursday 25th** Clothes peg pick a boo

**Friday 26th** Dino

Iceblock

**MENU**

Fresh fruit & cruskit

Muffin snacks

Savoury cooking

Homework : Find a friends pulse  
: Count how many breathes a minute

Left -Dr Sophie shows children how to check Xav pulse and provides children with this as homework

— Sophie listens while Spencer shares his story with his friends at OSHC.

**Weeks**

**9, 10, 11**

**Wk 11 – ideas to come**

**Easter Monday 5.3.2021**

**Tuesday 6th**

**Wednesday 7th**

**Thursday 8th**

**Friday 9th**

**Happy  
Easter  
to you all**

**Wk 10**

**Mon 29.th** Colour/drawing Competition all week

**Tuesday 30th** Rock eggs hidden & HUNT

**Wednesday 31st** Pasta noodle Easter egg

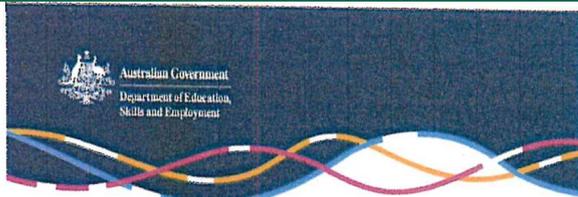

**Thursday 1st** Hatching chicken

**Friday 2nd** Good Friday— CLOSED

**MENU**

Easter Bunny snack may include fresh sweet corn, popcorn, celery, carrots, watermelon, banana, Grapes

# Community news

## Have your families confirmed their 2018–19 income?

If they don't confirm by 31 March, they'll lose their Child Care Subsidy.

This means you'll need to charge them full fees.

If CCS stops it can start again once their family income is advised. But if there's a gap between CCS stopping and starting again, they'll miss out on CCS for that time.

To confirm their income, families need to:

- lodge their tax return, or
- tell Services Australia they don't need to lodge a tax return. Families can do this using their [Centrelink online account](#) through [myGov](#) or the [Express Plus Centrelink mobile app](#).

There's a [fact sheet](#) on our website you may want to share with families.

## Did you get Child Care Subsidy for 2018-19?

If you got Child Care Subsidy (CCS) for the 2018-19 financial year, you must confirm your income.

Most parents have already done this. If you haven't, do it now.

If you don't confirm your income by 31 March 2021, your CCS will reduce to 0%. This means you'll need to pay full fees when you access child care.

The deadline for confirming your income was extended from 30 June 2020 to 31 March 2021 because of COVID-19.

If you confirm your income after 31 March 2021 we can start your CCS again.

But if there's a gap between your CCS stopping and starting again, you'll miss out on CCS for that time.

We sent letters to families in February 2021 asking them to confirm their income.

### How to confirm your income

You don't need to call or visit us to confirm your income.

You need to either:

- lodge your tax return with the Australian Taxation Office (ATO)
- tell us you don't need to lodge one and confirm your income online.

If you have a partner, they'll need to do this too. If you separated during the year, we'll also need your ex-partner's income.

To check if you need to lodge a return, use the [Do I need to lodge a tax return? tool](#) on [ato.gov.au](#)

If you've lodged your tax return, the ATO will send us your income information. We usually get this within 28 days from when you get your Notice of Assessment.

If you or your partner don't need to lodge a tax return, you need to let us know.

You must do this, even if you've told the ATO that you don't need to lodge. You can do this and confirm your income for the year using either your:

- Centrelink online account through myGov
- Express Plus Centrelink mobile app.

### Where to find more information

For more information about Child Care Subsidy go to [servicesaustralia.gov.au/ccstlmlimits](#)

## APPLYING FOR A SCHOOL CARD

### All types of School Card applications are now online.

You can access the online forms from any device that gets internet, including mobile devices, such as tablets and smart phones, as well as laptops and computers.

Applying online is easy! Simply follow the steps below.

- STEP 1** Visit [sa.gov.au/education/schoolcard](#)
- STEP 2** Select the type of School Card you would like to apply for (for example 'Type A') and follow the prompts.
- STEP 3** Complete all mandatory fields.  
*Please note: you cannot submit your application unless all mandatory fields are complete.*
- STEP 4** Once you have completed a page click on the 'NEXT' button.
- STEP 5** Once you have filled out all pages click the 'SUBMIT' button.  
*Please note: if you exit the form without clicking 'SUBMIT' your details will be lost.*

You can save the form, and return to complete it at another time, by clicking on the 'SAVE' button.
