

Leadership Report

Site Improvement Plan

Staff continue their concentrated work around our SIP priorities and goals set for both our teachers and students. We have most recently been focussing on success criteria and how being clear and targeted with this gives students the best chance of reaching high achievement levels. We have been collecting and collating evidence that shows the impact teachers are having on all students with different access points of the curriculum.

NAPLAN

Congratulations to our students in years 3,5,7 and 9 for completing NAPLAN assessments over the last 2 weeks. The students completed assessments in reading, writing, conventions of language and numeracy. We are very proud of the way our students went about completing them and the attitude they presented with. We look forward to analysing the results later in the year to assist when planning next steps in learning.

COVID-19 Update – Changes to face mask requirements in education settings

From the start of week 5, face masks in education and care settings (schools, preschools and children’s centres) will be:

- Strongly recommended (but not required) for all adults (including visitors) while indoors, except when it impedes ability to teach
- Strongly recommended (but not required) for students in years 3 to 12 while indoors. Anyone who is a close contact and is aged 12 years and older will need to wear a mask when they leave the house for 7 days following exposure as per the SA Health Close Contact guidelines. Employees and non-employees who are not fully vaccinated must continue to wear a mask while indoors, at all times as per the COVID-19 vaccination policies.

Face mask use in COVID-19 outbreaks

Face masks will be required to be worn temporarily in education settings when COVID-19 transmission reaches certain outbreak thresholds, based on SA Health advice. When certain outbreak thresholds are reached, face masks will be required to be worn by students in years 7-12 only, and all staff and adult visitors in the school, preschool or children’s centre for a 14-day period.

DUX and Reception Welcome Assembly

This Friday we are finally able to hold our DUX Assembly and formally welcome our Reception students to TBAS. These are always such special occasions so please come along and join us on Friday at 2:10 in the Soldiers Memorial Hall. Please remember to be Covid safe and wear a mask (Friday is the last day for this mandate)

Wellbeing update- Amanda Partington

REMINDER RESILIENCE PROJECT PARENT/CARER HUB

As you are aware, TBAS will be working closely with The Resilience Project to support the wellbeing of our school community.

[The Resilience Project](#) delivers emotionally engaging programs and provides evidence-based, practical strategies to build resilience.

Last newsletter included the first presentation of the Parent and Carer hub series where you met Hugh and learnt about the Resilience Project. I hope many of you managed to look at the presentation and become more familiar with this great program.

This week's information and presentation from [The Resilience Project](#) focuses on Gratitude.

Gratitude is paying attention to the things that we have right now, and not worrying about what we don't have. We practise this by noticing the positives that exist around us.

Research shows that practicing gratitude rewires our brains to overcome the negativity bias (which can lead to anxiety and depression) and see the world for what we are thankful for. It is also shown to broaden thinking and increase physical health through improved sleep and attitude to exercise.

View Part 2 of the series here - Gratitude <https://theresilienceproject.com.au/parent-and-carer-hub-hugh/>

There are many ways in which you can practise gratitude, including starting a [Wellbeing Journal](#). If you come into our front office, you will see the range of journals that you can purchase from the Resilience Project. Please see attached the Gratitude parent./carer ideas.

For more mental health resources and support information, visit [The Resilience Project's Support Page](#).

PROJECT + Parents & Carers

Gratitude Working on gratitude helps us to be **thankful** and **appreciate what we have in our lives**, rather than focussing on what we don't have or what we want. When we practise being grateful, we start to **scan the world to look for positives** - this only takes 21 days!

Benefits of practising gratitude everyday are:

- Increased levels of energy.
- Feeling happier.
- Become more focussed, determined and optimistic.
- Better sleep.
- Lower levels of anxiety and depression.
- Less likely to get sick.

Here are some **quick and easy ways to include gratitude into your daily routine** with your whole family:

THANK YOU

- Think about a **friend or family member** you are grateful for and write them a letter. Tell them why they are **important to you** and what **you love about them**.
- Around the dinner table or before bed, have everyone talk about **3 things that went well** for them that day.
- Have a discussion of what you are **looking forward to** the following day, week, month.

Check out [TRP@HOME](#)

Here, you will find more **activities and ideas** you can use with your family to incorporate **Gratitude** into your lives. There are also **Empathy**, **Mindfulness** and **Emotional Literacy** activities you can use to **spread happiness** and **build resilience**. **TRP@HOME** activities change throughout the year, so don't forget to keep checking in! Click on the image below to check it out.

Buddies

BUDDY Lessons

Last Friday our students worked with their buddies again. This was the second session for the year where the students continued to build relationships with each other. The focus for last week's session was sharing ideas about GRATITUDE. A few classes did a gratitude scavenger hunt while others wrote gratitude letters to local businesses. Another group of students discussed what they were grateful for and then designed and made this on Makers Empire. The Year 12s and Receptions spent the lesson preparing for the whole school assembly where the older students will introduce our new receptions to the whole school.

Welcome to Teresa Webb as our new ACEO Aboriginal Community Education Officer

Teresa Webb has accepted a position at TBAS for the remainder of 2022. She will be our new ACEO and will work with our Indigenous students and their families. As this is a new role, Teresa will be setting goals and directions for the first few weeks, with the plan to eventually work closely with our Indigenous students supporting their cultural understanding. Teresa is organising our school's celebration for National Reconciliation week which is celebrated from May 27th until June 3rd. The National Reconciliation Week 2022 theme, "Be Brave. Make Change." is a challenge to all Australians— individuals, families, communities, organisations, and government—to *Be Brave* and tackle the unfinished business of reconciliation so we can *Make Change* for the benefit of all Australians. As part of our celebration students will be creating some Aboriginal and Torres Straite Island flags using recycled bottle tops. We would like all students to bring in recycled bottle tops in either black, yellow, blue, green, white or red to use to create these flags next Friday. Please hand in to class teachers.

GRIP LEADERSHIP CONFERENCE

On Friday the 6th of May

Middle School and Senior School

Student Voice members attended the GRIP
Conference in Whyalla

PASTORAL CARE WORKER

Miriam Telfer

It's been a fun start to the term! I've attended a conference in Adelaide, as well as helped out in lots of classes. I've enjoyed cooking and PE, as well as visiting all the year levels, and I'm looking forward to attending the netball and football carnival in Port Lincoln this week.

Please see the SUPA club flyer, as we are starting a lunch time group in week 5. This will be on Fridays and I'll let the students know which weeks it will be happening. Parental permission is required, so if your child is interested in attending, please return the permission slip in the newsletter. Glenys and I are excited to get started!

I'm here on Tuesdays and Fridays and if any students, staff or parents need to contact me, they can call me at the school on

8688 2003 or email me on miriam.telfer236@schools.sa.edu.au.

YEARS 3/4

WAR ON WASTE

Our Years 3/4 class have been waging a war on waste. We have researched our class waste; used this to make estimations on whole school waste; researched the effects of waste on the environment; designed a solution to organic waste in our school; and implemented a solution to the problem. Most recently we visited the Tumby Bay Community Garden to see similar solutions in our community.

We conducted a waste audit of our classroom bins.

We made posters about food that can go into a compost and set up food scrap bins in some classrooms.

We visited the Tumby Bay Community Garden for ideas on how to use our compost.

We started composting our food scraps in a tumbler composting bin.

We researched the soil condition of our school garden beds and discussed the need for more organic matter to make a productive vegetable garden.

SHE'S BEAUTY AND SHE'S GRACE

This is the year! The magnificence of the female society is coming alive through the most glorious trends and fashion statements. This is the time for all women to show the world the art that they are, to have confidence in their femininity, and to shine in the style that only a woman can possess. These will be the tips and tricks to help you embrace who you are as a woman in society.

"I make clothes, women make fashion" said Azzedine Alaïa, and what better way to say it! It is a well known fact that it is women who transform the simplest forms of clothing into the style that we see in the fashion parades and on Broadway. No more are the days of women feeling insecure and unconfident in their bodies and style. Fashion Designers for 2022 will be bringing these women into a new light and giving femininity a new definition, a definition that will be full of colours and delicate details. Women are creative, curvy, exciting, and inspiring and all you need to know is that now is the time for you to embrace that. Here are the 7 main fashion features that will help all women including you to achieve empowerment for their bodies.

SARA GRACE WELLERSTEDT
2022'S NEXT SUPERMODEL

1. TOP TO TOE COLOUR

The best way to start the year off with a bang is with top to toe colour! This chic and tasteful look is the simplest way to create an artwork within an outfit. Top to toe colour can be casual or formal and instantly shows a sense of confidence. There's no better way to make a statement than to walk down the streets your signature colour and attracting the eye of everyone in town.

2. SHIMMER AND GLIMMER

All women need sparkles, they're the perfect way to bring out a woman's inner shine. Women are finding a new sense of beauty through the princess like features of shimmery dresses, blazers, or trousers. By adding sequins or a touch of glitter to your clothing you can easily become the most noticeable girl in the room. Glitter and sparkle can suit any occasion, from a night at the disco to a festival in the sunset.

THE STYLE SECTION

ETHEREAL Magazine

3. CUT OUT CLOTHING

If you truly want to understand style, then cutouts is all you need. Minimal cutouts that shape your gorgeous body is the key to building your confidence. Like a frame to an artwork, cutouts can go with dresses, jeans, and even swimwear and will elegantly bring out your goddess like curves. The minimalism of this fashion feature will forever be the most memorable part of your everyday outfits.

4. BUSINESS SUITS

It's time to look at women in the eyes of business and pleasure combined together. Suits. Blazers with straight leg trousers and complimentary belts to accessorize. Suits will never fail to make everyone's jaw drop or give you an undeniable sense of class. Neutral tones or bright popping colours can easily make you stand out in a crowd and give you a sense of uniqueness.

THE STYLE SECTION

ETHEREAL Magazine

5. PATTERNED TIGHTS

Tights! Who knew that the old school fashion statement of brightly coloured tights would come back to make all eyes turn. Swirls, lace, flowers, and patterns seen in the 70s are the best way to go when you want to show the world how imaginative you can be. All different colours worn with a stunning mini skirt will make you feel elegant and artistic. It's time to show off those model like legs in some groovy tights.

6. MINI SKIRTS

And to go with those tights is a miniskirt. Miniskirts match any look you wish to achieve and display a magnificent sense of sassy chic. Models from various different brands have been seen parading down the cat walk in miniskirts. If they can pull off the look, then you most certainly can too!

THE STYLE SECTION

ETHEREAL Magazine

7. CRAZY ACCESSORIES

The next big thing is as simple as a bright and crazy accessory to compliment an outfit. Whether using a bag to make your outfit pop, or a pair of boldly coloured jewelry pieces, accessories will always save the day. Stunning leather boots, gold and silver charms, and wacky shaped glasses will be the finest details that pull the whole look together. You can easily spice up your look with a simple and practical accessory and feel like an absolute boss while you strut around in your ultra-funky sunglasses or handbag.

So go out and embrace your femininity, dress yourself like the graceful piece of art that you are. Be bright and bold and unapologetic of this style that only you can obtain. It's time for a fashion restart, to stop wearing clothes that don't truly represent who you are or what you stand for as a women.

EXPLORE THE

SEAFOOD FRONTIER

By Sophie Stoddard

Are you looking to get out of the hustle and bustle of your day-to-day life and go somewhere so magical you'll never want to leave? A 9-day trip to the Eyre Peninsula is all you need to relax, unwind, and breathe in the fresh salty air. The Eyre Peninsula is known for its spectacular coastlines, sublime terrines, and scrumptious seafood. An escape from the real world and a playground for everyone from the luxurious to the simplest of travellers.

Day 1

Whyalla is just over a 4 hours drive from Adelaide and is the beginning of the wonderful Eyre Peninsula. It is home to wonders of nature and life. From giant cuttlefish and playful dolphins through to unearthly landscapes with coastal bush walking trails. Every year from May to August, tens of thousands of cuttlefish migrate to the coast of Whyalla, creating underwater light shows. Join the team at Whyalla Diving Services to witness this spectacular phenomenon. We recommend wearing a wetsuit as the water can be quite chilly at this time of the year. If the giant cuttlefish don't tickle your fancy, take a look at some of the many tranquil walking trails available. Stay the night at one of Whyalla's many accommodation options or even camp out at Point Lowly for the adventurous travellers.

colour and life

with its magnificent street and silo art, spectacular sea life, tranquil walking trails and more. If you are travelling with children, Tumbly's BMX track, pump track and skate park is the place to visit. If you are looking for a more relaxed activity, make the tranquil walk down the jetty, mangrove walk, or long sandy beach. Head off after

Day 2- Whyalla to Port Lincoln

Get a delicious breakfast from Whyalla's Breeze Bistro before beginning your journey to Port

Experience Coffin Bay boat on a tour at an oyster farm, Coffin Bay, South Australia

a couple of hours so you can make it to the Lincoln National Park and set up camp for the night. For the more luxurious travellers, head into town and spend the night at the Port Lincoln Hotel.

Day 3- Lincoln National Park

Start your morning off slowly, watching the sun rise over the water, casting a rosy hue across the sky. If you are feeling a little peckish, head into town and explore the variety of mouth-watering French pastries that L'Anse French Café has on offer.

French chef Marvin is a master in the kitchen bringing top of the mark French dishes right to your table. After indulging at L'Anse, take your coffee and head off to explore what the wonderful city of Port Lincoln offers. For the adventurous travellers, journey back to the

Hidden rockpools at Talia Beach, Talia, South Australia

beach, inside is a luxurious travellers dream, with neutral tones, linen robes, and everything you need to make your stay feel like home. You will use your two nights stay at this secluded abode to relax, unwind and recharge, exploring natures gifts, right on your doorstep. There are walking trails that take you through the bush filled with wildlife and out to the aqua blue beaches of Whalers Way and Fishery Bay.

Day 5- Coffin Bay
Awaken to the sunrise over Eyre Way's private beach before setting off on your next adventure to Coffin Bay. Coffin Bay is internationally known for its amazing oysters. Here you will also find all kinds of wildlife including hundreds of emus and kangaroos. Book a tour with Experience Coffin Bay who offer a variety of tours ranging from 90 minutes to full day experiences, visiting oyster farms, exploring the bay and of course, eating oysters. It's back to shore for dinner at Yambala restaurant located inland,

*immersed in
wildlife.*

For the musical folk, enjoy the evening 'Sounds of Yambala' tour, indulging in the unique flavours of bush foods cooked over coal whilst watching live digeridoo performances. For the foodie folk, experience the 'Flavours of Yambala' tour by indulging in a 9-course journey of what the region has to offer. Spend the night at the Coffin Bay Caravan Park, waking to emus and kangaroos at your doorstep.

Birds eye view of a busy Perlubie Beach, South Australia

A close up of a playful seal at Baird Bay, South Australia

Drone shot of a hidden beach found on the Eyre Peninsula (place unknown), South Australia

find many other natural wonders along the way. You can't go past Elliston without taking the coastal drive past the monuments along the rugged coastline and a trip to Waterloo Bay to learn about the 1849 massacre between Europeans and Indigenous Australians. Arrive in Venus Bay in the early evening to enjoy a tranquil night, watching the sun set over the water.

Day 7- Baird Bay

Rise early in Venus Bay and head off to Baird Bay for an experience of a lifetime. Take the boat out with Baird Bay Ocean Eco Experience to swim with the wild sea lions and dolphins. Immerse yourself in nature and dive into the Great Australian Blight and interact with the puppies of the sea and playful dolphins. Drive to Streaky Bay, stopping at Point Labatt to witness hundreds of sea lions playing on the shore. Stay at one of Streaky Bay's many accommodation options for two nights of pure bliss.

Day 8- Streaky Bay

Streaky Bay is a coastal town full of life and beauty. The Streaky Bay website has a full list of beaches and inland attractions that you can explore throughout your stay. Many popular destinations include Perlubie, Murphy's Haystacks and the surf school at Sceale Bay.

Day 9- Home

Leave from Streaky Bay and start the long journey home. Stop in Kimba, halfway across Australia and the gateway to the Gawler Ranges. View its magnificent silo art and the Big Galah, who has recently had a makeover. If you are looking for more of an adventure, take a look at some of Kimba's wonderful walking trails through the wilderness. Make the last leg home, reflecting on your last 9 days exploring the Eyre Peninsula. A place like no other.

heroes

Recently we have been talking about superheroes and the conversation sparked a focus on heroes in our community. Coincidentally volunteer week was also being celebrated in our community around the same time.

The kids described that superheroes look out for people, protect people and save people who are in trouble. Heroes in our community and volunteers can be found doing similar things that superheroes do.

Rory Lebrun

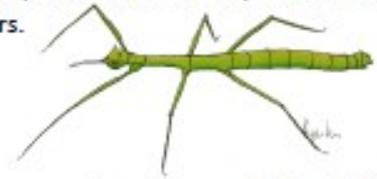

Albie Cave

Mia Poole

We completed many activities that explored heroes. A popular activity was designing a super hero mask. Mia designed her mask based around the Resilience Project. Mia said that practising Gratitude, Empathy, Mindfulness and Kindness are some of her superpowers. The kids decided special things about themselves and designed a badge to celebrate their 'super power.'

Our educators know how much the OSHC kids LOVE living creatures. Laurette's turtle Sparky has visited many times over the years.

After watching how much the kids love having stick insects Danica decided to add a fish tank to our room. Filled with Mollies and Guppies, it has been a popular addition at OSHC. Many conversations, art activities and memories have already been shared around the fish tank. Observing our fish is a great mindfulness activity and the kids are very excited that we already have babies.

Sophie Wilson. A fish from our fish tank.

SUPA Lunchtimes!

May 2022

Dear Parents and Care Givers,

Introducing **SUPA Lunchtimes!** And Cecil! Cecil is a sheep who sometimes becomes distracted, or wanders off and gets lost. He and his mates have a lot of stories to tell...

The Lost Sheep series of books created by South Australian Andrew McDonough will provide us with stories and resources. The illustrations are bright and fun. The approach invites children of all ages to step inside the narrative and think about life from a variety of perspectives. The resource also includes colourful illustrations and follow up activities. Each book can be previewed and purchased at.... www.lostsheep.com.au

It is with the approval of the Principal and School Leadership that **SUPA Lunchtimes** go ahead. Volunteers are screened, trained and appointed by Scripture Union SA and represent the local church community.

SUPA Lunchtimes are supported by Scripture Union in partnership with the Tumby Bay Inter Church Council; an incorporated group who meet quarterly, representing our local congregations. Scripture Union also helps local events such as Family Mission and Kids Camp EP happen. scriptureunion.org.au

So kids... come along to **SUPA Lunchtimes** - Fridays in the Activity Hall. All Welcome!

We will keep you informed and we also welcome any feedback.

Amanda Partington (on behalf of School Leadership), **Glenys Sauturaga** (Scripture Union Volunteer) & **Miriam Telfer** (Pastoral Care Worker)

Tear off Slip: Please return to your child/ren's teacher or to Miriam's pigeon hole in the Staff Room

I give permission for:

(List one or more students from your household and their class/year level.)

to attend **SUPA Lunchtimes** in the Activity Hall on some Fridays during school term.

Parent/Carer Name: _____ Signature _____ Date: ____/____/____

Please follow the link for more information about the role Recovery Officer - SA (Lower Eyre Peninsula): <https://careers.redcross.org.au/cw/en/job/520475/recovery-officer-sa-lower-eyre-peninsula>

This is a two plus year employment opportunity at 3 days a week for someone taking a place-based community development approach with locally led emergency preparedness and recovery projects.

The Recovery Officer will be embedded in the local government area to identify and collaborate with local stakeholders, networks, and key vulnerable groups. The Recovery Officer, will have a strong focus on community engagement, implementing sustainable and effective community disaster recovery and preparedness initiatives aimed to increase community capacity to support a strong, positive recovery and to better prepare for future disaster events. This role requires a motivated and proactive person who has community engagement experience, excellent networking, and time management skills.
