Leadership Report

Thank you to our school community for your condolences with the recent death of one of our precious students, Tyler Mayall. Tyler was a valued member of our school for six months and we will miss him greatly. We have had amazing support over the past two weeks with the SWISS Team sending social workers to help us speak with students and the EAP providing a counsellor for our staff to talk to. These structures, along with our caring community have resulted in a smooth transition back to school and learning. Our students are just so resilient and have demonstrated their respect and maturity in the way they are dealing with this. Please do continue to let us know if you are aware of someone struggling as we have further support networks in place to call on as needed.

YOUTH OPPORTUNITIES

This week our Year 10 class starts Youth Opportunities and will be spending their Friday's working out of the Skills Centre with Chelsea and Paul. We are looking forward to hearing about their growth through this fabulous course.

GEM FESTIVAL

GRATITUDE EMPATHY MINDFULNESS

Our school's biennial GEM Festival will be taking place again this year. The date set for this event will be Friday 17th November from 5- 8 pm. A group of teachers are on the committee and are working towards the event being bigger and better than the 2021 festival

If there are any parents or community members who would like to be on the working committee for the upcoming GEM Festival there will be a meeting in the staffroom on

Thursday 3rd of August at 3.10pm please let Amanda Partington know. We would appreciate all offers of help.

LUNCH CLUBS TERM 3

Each day there will be a lunch club on offer for the Reception to Year 6 students. Please see the latest edition of the timetable in the newsletter.

PRIMARY

In Week 9 Miss O'Leary's Year 2/3 class hosted the assembly. Students presented their learning about Patterns. It was great to see students sharing their knowledge around this mathematical learning. We celebrated the students' demonstration of our School Values through our TRAC Awards and congratulate the following students.

4/5 Merrett	Thomas Beenham	Raya Cook	Annabel Modra	Taylor Pumpa
5/6 Treasure	Ayla Carr	Tannah Povey	Indie Hibbins	Brodie Burford

We are delighted to continue welcoming parents to our assemblies and know the students gain so much confidence in presenting to a group of their peers and the community. We will host our first Primary Assembly on Thursday Week 3 this term in the Tumby Bay Soldier's Memorial Hall at 2.30pm

The end of Term 2, saw students engaged in many experiences, both in and out of classrooms.

On Thursday Week 9, the Paper Boat Arts Company performed - *When the Mirror Birds Sings*, a mythical tale of kindness overcoming greed. Students from the Primary were joined by the Kindy Students, to view a dazzling performance and were entertained to music from a magnificent re-composition of Vivaldi's Four Seasons.

Monday Week 10 the Year 4/5 Merrett and 5/6 Treasure classes went on excursion to Lincoln Gardens for NAIDOC Week activities. This was a wonderful opportunity for our students to connect with students from Lincoln Gardens while engaged in a variety of activities centered around NAIDOC Week.

On Tuesday Week 10, the Primary and Year 7 students joined Geraldine Turner from Landscapes SA for the annual tree planting. This has been a collaboration piece between Tumby Bay Area School and Geraldine for over 20 years, seeing students participate in site selection, propagation and then planting out the threatened Acacia Whibleyana.

YEAR 10 SACE & VET INFO SESSION

We will be holding a SACE & VET information session on Monday the 7th of August (Week 3) for students and parents currently in year 10. The information session will run from 3:15pm-4:15pm (Location to be advised). The information presented will give parents and students the chance to further understand the SACE and learn about the VET opportunities available to our students. Parents and students will also get the opportunity to chat to secondary teachers. We strongly encourage all parents and students to attend. More information will be sent home via Seesaw.

YEAR 10 & 11 SUBJECT COUNSELLING

Subject counselling will occur for year 10 & 11 students on Wednesday the 16th of August (Week 4). The day is proposed to run as it has in past years where Year 10 & 11 students only attend school on that day with their parents/carers to meet with a teacher for subject counselling. A subject choice handbook has been distributed to students to explore subject options in preparation for this day. More information will be sent home soon via Seesaw.

Senior Secondary Student Voice Dress up day

5/6 Nyroca Camp

At the end of term 2 Mr Treasures 5/6 class went to Nyroca Scout Camp for their class camp. They pushed through the rain and the mud and had a fantastic time. They did lots of great activities that include going to the movies, Leisure Centre, disco, talent show, yabbing, gymnastics and much more. Everyone had an amazing time. Mr. Treasure and his class would like to thank the people that made it happen.

Thankyou Jennifer Moss for feeding all the hungry kids, Corey Anne Wait for getting all the kids organized every night. Lyndon Hill for helping with the yabbing. Shelly Yager for helping Jennifer in the kitchen. Mick McCallum for helping with the yabbing and most of all thank you to Mr. Treasure for getting it organized.

The Years 3/4 class have been learning about food production. We visited the Tumby Bay Community Garden to explore different composting methods, wicking bed systems, and the concept of community food production.
