Leadership Report

Hi Families,

Welcome to the last newsletter for Term 3!

EXTERNAL SCHOOL REVIEW

We have recently had our 3 yearly External School Review at TBAS which is a great process of gathering the voices of all stakeholders and feedback upon our directions, growth and further opportunities to improve. We were very impressed with the engagement from everyone through our inquiry questions and thank them for their honest and constructive feedback. While we won't know the results from this review until next term, our Leadership team heard the initial findings from the report. The Review Team were highly impressed with our high results, particularly in the early years and senior secondary. We also heard about the strong growth in our culture with students being proud and wanting to be at our school. Our explicit processes for learning and the positive conditions for learning were praised as was the strong connection our students have with our staff and the deep core belief that they are cared about, at TBAS. All of these aspects make me so proud of our site as we know we have been working so hard on these aspects and it has impacted on our school positively. The next steps and opportunities include ensuring our younger students connect with our values which were developed prior to them starting school, deepening our community partnerships, developing further student agency and utilising data to intentionally design learning which meets every student's current learning intention and goals. Thank you to all staff, students and parents who offered their feedback and had the opportunity to give their voice to the process which will guide our next school steps and site improvement plan.

Principal - Nicky Prosser

FRRR GRANT SUCCESS

We are very excited to announce that our Wellbeing Group have been successful in winning a FRRR Grant for \$13274 to facilitate some of our GEM Festival activities! This is amazing and will enable us to engage with the Resilience Project team, invite other sites in our Partnership to our events and pay for some of the big ticket items our students have requested. Huge thanks to Paul Stoddard for his application writing skills in bringing this all together. We cannot wait to celebrate with you all at our GEM Festival in November.

RENOVATION WORKS

Those of you who have visited the school over the past week will have noticed we are again disrupted by the last round of renovations, this time in our office and administration building. If you are looking for us you will find the admin in the old POD and Leadership in the room next door, just look out for the signs. Thank you for your understanding during this time, luckily we are nearly finished.

MIDDLE SCHOOL

On Thursday the 28th of September the Middle School Student Voice Leaders hosted the Middle School Assembly. It was a fun celebration of learning with students showing work from a variety of subjects including English, Science and Art. There were lots of awards presented to students for Academic Achievement and Attitude and Effort across all subject areas. Students were also recognised for displaying our school TRAC values consistently. Congratulations to all MS students on a busy, but successful term of learning and congratulations to all award winners!

Year 7	Marley Oster	Alfie Telfer	Beckett Franks	Charlotte O'Keeffe
Year 8	Abbie McPharlin	Armani Gates	Chloe Maccrimmon	Kalani Doley
Year 9	Elke Allen	Paige Edmonds	Poppy Stoddard	Max Pucci

PRIMARY ASSEMBLY

The Primary Assembly was held on Thursday 21st of September and hosted by the R/1 McPharlin class. Students presented their learning about the Julia Donaldson text *The Gruffalo* through a wonderful song. Students talked about how the author uses rhyme and alliteration in the text. This performance was a great demonstration of just some of the wonderful learning that occurs in our Junior Primary classes.

This Assembly was the last for the Term and once again it was fantastic to welcome so many of our parents and friends to celebrate with us, the great work of students demonstrating our School Values. As you wander through our school it is pleasing to see and hear students talking about our values and the importance of them in our everyday lives at Tumby Bay Area School.

<u>Class</u>	<u>Trust</u>	<u>Respect</u>	<u>Achievement</u>	<u>Community</u>
R/1 McPharlin	Georgie Fleming	Lola Saunders	Mila Smith	Isaiah Visentin

**EXCHANGE STUDENT
BRAZIL - TUMBY BAY - HOMESTAY**

SEMESTER 1 - 2024

Seeking interest from TBAS families to host a Brazilian student/s who will be joining the year 10 class.
Financial support is provided.
Please contact the school ASAP for more information and to register your interest.

R-12 Well Being - Mrs Stratford

This term saw students engaging in many exciting and engaging experiences throughout the term. Tumbly Bay Area School is committed to the ongoing improvement of student wellbeing. Through our teaching of social and emotional skills to our students through the of Resilience Project, we support students in recognising and managing emotions, caring for others, making responsible decisions, establishing and maintaining positive relationships and dealing with challenging situations effectively.

R U OK? Day 2023

This term, we celebrated R U OK ? Day, which aims to encourage people to connect with friends, family and colleagues by checking in and asking the question "R U OK?"

Students and staff wore yellow to show their support and participated in activities. Thankyou to the Senior Secondary Student Voice team for organising a banner, fun Hop scotch game, Positive Affirmation Rocks, Bunting, Posters.

Thankyou to Ms Gates and the Year 9 students for designing posters to be displayed around our school.

Term 3 - Lunch Time activities

Roving Disco, Netball, Basketball, Soccer, Lego, Skipping, Mindful Colouring in, Board/card games, Mosaics, Just Dance - and much more Thankyou to all the Staff who supported our activities and the students for participating.:)

Yr.7 Handball

Last Thursday the Year 7 PE class travelled to Cummins to participate in the Lower EP Year 7 Handball Carnival which was played on the tennis courts in fine conditions. Handball is a game crossed between basketball, soccer and netball.

The Year 7 Boys team came 2nd overall with 4 wins from their 5 matches, while the Year 7 Girls came 4th with 2 wins. Thanks to Robina Collins who helped coach the teams.

Shane Masson
Year 7 PE Teacher

9-a-side Football Carnival

Year 7/8 Girls Shine at 9-a-side Football Carnival

On Tuesday, the Year 7/8 Girls travelled to Port Lincoln to play in the Lower Eyre Peninsula Year 7/8 Girls 9-a-side Football Carnival, which was played at Ravendale Oval in perfect sunny conditions. The team was challenged by the larger schools, but to their credit displayed great sportsperson-ship throughout the carnival and improved their application towards the game, particularly with their kicking and tackling.

The Year 7/8 Girls team finished 7th overall. Thanks to Miriam Telfer who managed the team and congratulations to Tahnee Modra who was awarded the most consistent award for the side.

Shane Masson
Year 7/8 PE Teacher/Sports Coordinator

Child Studies

Year 11 (Stage 1)

The major assessment for this term focused on designing and producing a gift hamper for a new mum. Students researched products and hand made a range of beneficial products for a new mum. It was fabulous to see the quality of the final products. Maisie Curtis produced her hamper for mum Stacey and baby brother Gunner. Naylene kindly prepared her hamper for Miss Carmody's arrival due next year.

Maisie's hamper

- laser cut name wall hanger
- laser cut wooden bag tag
- Multiple bibs and burp cloth sets
- Silicone teether and dummy chain
- Multiple swaddle wraps
- Home made quiches
- Oat choc chip cookies

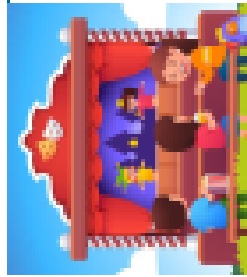

Naylene's hamper

- laser cut wooden milestone cards
- bib and burp cloth set
- silicone dummy chain and teether
- swaddle wrap
- almond butter bliss balls
- zucchini slice

Year 12 (Stage 2)

On Tuesday Week 9, the Year 12 Child Studies Class ran a technology themed learning activity for Ms Mac's R/1 Class. The activities were centered around the popular children's book 'The very hungry caterpillar' and included using Quiver an augmented reality app on the Ipad to bring the stages of the lifecycle to life, creating mobiles of the butterfly lifecycle and a numeracy fruit skewers activity. A wonderful learning experience had by all.
