## Leadership Report

Hello to our families of TBAS and welcome to Term 4. This term is an exciting and busy one as we continue the engaging learning opportunities for our students.

Our Year 12 class are nearing the very end of their schooling journey with us and we now look forward to their farewell assembly and having their Reception Buddies with them for this moment. Our GEM Festival and Resilience Project Forum are two showcase events in Week 5 of this term which will be an opportunity to join with us in partnership to celebrate the work we do here as well. Our Year 6 class is beginning transition to Middle School and we welcome our Kindy Parents in next week for conversations about this exciting next step for their children.

Many classes are also getting ready for and going on camps and excursions and we know these opportunities will be loved by all and add to the classroom learning too.

### GOVERNOR OF SOUTH AUSTRALIA

Last term we were fortunate to have a visit from Her Excellency the Honourable Francis Adamson and her husband Mr Rod Bunten. They both had the opportunity to meet with staff and students and were very impressed with our school. Please see the special letter they have sent to us in this newsletter.

### GOVERNING COUNCIL

Our dedicated group of parents met on Tuesday night and discussed our strategic work as well as many other pieces of information that will help our school run well.

Strategic work:

#### ◆ External Review

*Our recent External School Review has been completed with input from all of our school community gathered and documented. We are proud to announce that we obtained the 3 year turn around and acknowledge that there is much to celebrate about our progress and what we are doing well at TBAS. Thank you to our staff, parents and students for your feedback and input. We now look towards the recommendations for the next 3 years to inform our practice.*

#### ◆ Site Improvement Plan (SIP)

*Leadership are currently working with our staff to reflect upon our SIP for 2023 and formulate the 2024 SIP in line with our new Department for Education Strategy, which will guide our improvement work as we begin the new year. We take the TBAS Purpose Statement which is: **To work with our school community to equip students with the knowledge, skills and capabilities they need to prosper and thrive in their community and future world as we do this complex but exciting work.***

Congratulations to **Kelly Robinson** who has won our Deputy Principal role for the next 5 years.

We are so lucky to have her at TBAS!

GOVERNOR OF SOUTH AUSTRALIA

Thursday, 5 October 2023

Dear Mrs Prosser,

I write to say how much Rod and I enjoyed visiting Tumby Bay Area School and the opportunity to speak with your students.

Please thank Kelly Robinson for hosting us in your absence. I would also like to extend my appreciation to you and your leadership staff for the work you do with our future leaders.

It was great to hear from Thea and Eloise about their recycling initiative and Indie's Primary Student Voice proposal. Please also extend our thanks to the year 11 hospitality students for a wonderful afternoon tea.

Among my key priorities as Governor are to model and foster leadership and respect for democratic structures and institutions, to promote the value of education to the individual and society, and to encourage civic understanding and participation.

The Governor's Civics Awards encourage students to think about the privileges and responsibilities we have as Australian citizens, and how to put this into practice in their lives. I warmly encourage you to explore opportunities for your students' engagement with the program.

We would be pleased to welcome the students from Tumby Bay Area School during one of their visits to Adelaide.

Her Excellency the Honourable Frances Adamson AC  
GOVERNOR OF SOUTH AUSTRALIA

**SPORTSPERSON OF THE YEAR 2023**

Once again the PE and Sports faculty will be awarding the Tumby Bay Area School Sportsperson of the Year which will be presented at the End of Year Assembly. Since the award was first presented in 2000, past winners have represented the State at national level and even internationally, with Jake Andrewartha who represented Australia at the 2014 Commonwealth Games winning a bronze medal.

The award is open to all students at TBAS with a high number of sporting achievements at both school and community level. To nominate a student, record their achievements for 2023. Nomination forms can be picked up from the Front Office, and return this information to the Front Office by Monday 20th November (week 6).

# YEAR 8/9 DRAMA

## ACTORS

At the end of Term 3, the Year 8/9 Drama students decided on the play Cafe Murder to be the end of year performance. Students who were keen actors practised lines ready for the audition process and were keen to find out what role they won!

The actors came back raring to go in Term 4 and they are now in the process of learning their lines and blocking out each scene.

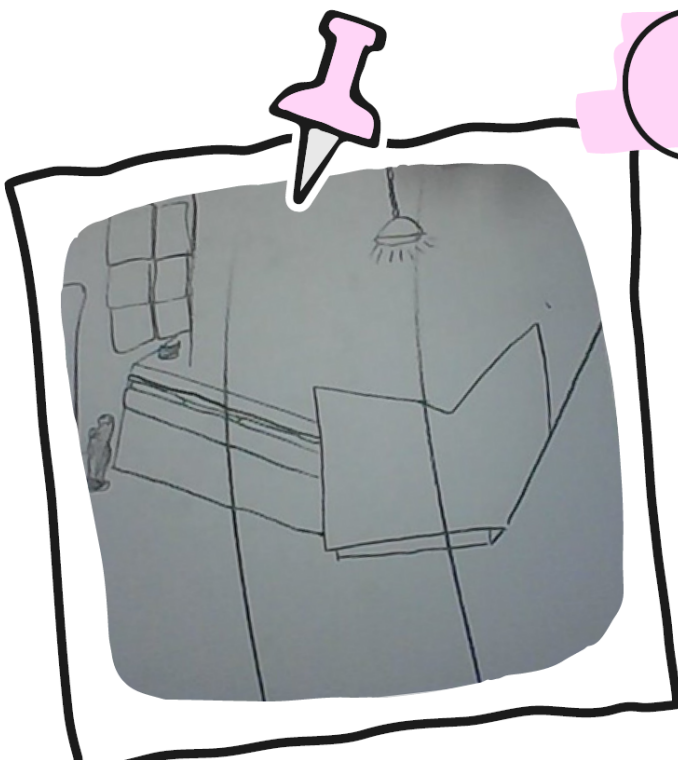

Well done to all students who got a role.

Look out in the near future for more information on performances and when you can see this mysterious and comedic play, CAFE MURDER!

## BACKSTAGE

A play doesn't go ahead without the work of an awesome backstage crew! They have been busily working on backdrop designs and drawing them on the new backdrops made by Dale (thankyou). Some students have been sourcing props and digitally designing menus, logos and more!

**PASTORAL CARE WORKER**

*Miriam Telfer*

Welcome back to Term 4. There is a lot happening this term, but I'm excited to be working some extra hours and getting involved in lots of different activities and excursions!

At the end of the last term, it was great to have the opportunity to present some beautiful gifts and handwritten cards to the year 12 students. This was to say a big congratulations on all their hard work so far this year, and good luck for their upcoming exams and final assessments. Big thanks to Patricia Horne who put a huge effort into getting these organised, and to the local churches for supporting this. We're hoping this will be something we'll be able to do each year!

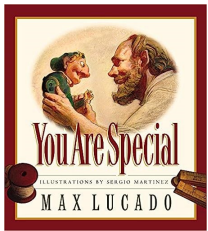

SUPA club will be continuing this term. Our focus will be on getting some items organised for the Tumby Bay Christmas carols coming up in December. If your child is interested in being involved, there are permission slips elsewhere in this newsletter.

Just a little reminder that I'm in the school to provide extra support to students, staff and parents. This might be through classroom support, working with small groups on particular issues, going on excursions, or just being around in the yard for a chat.

This term, I'm here on Tuesdays, Wednesdays and Fridays and if any students, staff or parents need to contact me, they can call me at the school on 8688 2003 or email me on [miriam.telfer236@schools.sa.edu.au](mailto:miriam.telfer236@schools.sa.edu.au).

# SUPA Lunchtimes!! UPDATE

During term III **SUPA Lunchtimes** took place on Fridays with volunteers appointed by Scripture Union Australia and representing the local church community, in partnership with Tumby Bay Interchurch Council.

Each week we read a bit more of the book 'You are Special' and students did well to remember the characters and the story. We looked up what our names meant and talked about the things that make us anxious. We learnt that each of us has a unique fingerprint and special characteristics.

This Term all students have the opportunity to rehearse and perform two songs at our community Carols by the Beach ~ Christmas is for Everyone! The first song will include AUSLAN (Australian Sign Language) as the actions. The second will be a Christmas song about Eyre Peninsula. Just fill in the form below and return to Miriam's pigeon hole. And come to Carols by the Beach on Sunday, 17<sup>th</sup> December in Tumby Bay! We will keep you informed and we also welcome any feedback.

# Vacation Care

Vacation Care immersed children in play based learning opportunities with imaginative play occurring most days.

Children also engaged in cooking the group snacks. Caring for the middle school chicks, meant the eggs gathered were used in our recipes. Opportunities for indoor and outdoor games, supported a wholesome School holiday program for all who attended. Thanks to Sarah Bey, Georgia Stratford, Danica Gates & Katia Bailes

# Tumby Bay & Districts OSHC

## TERM 4

We welcome back to term 4 all the kindergarten children and Laurette from her holiday leave.

Activity Hall Children and staff have absolutely loved being in the Activity Hall again in the first week of term. "Space is amazing" "we can spread out" "when do the blocks come back" –were some of the comments we have heard!

# Extra Curriculum

**JH Dance concert**  
**Saturday 11th NOVEMBER**  
OSHC students are being taken & returned by Julie so they are able to attend dance practise.

**Tuesday Tennis Training**  
3.30 Nicci collects & returns our youngest tennis students  
4pm Rebecca takes the older primary students to training.

Thank you all for supporting OSHC students in extra community curriculum.

## Rough & tumble play

## Sock Wrestling

## What is it & why

Rough and tumble play is another one of the play types that adults sometimes worry about but it is as important as all play. We learn through play and children need to develop these skills necessary to identify real aggression! Sock wrestling photos—objective is to remove the others player's sock while protecting your own, the children LOVED it. Simple rules are to bow-show respect, wish your partner the best, stay-play on the mats only and aim for the sock. STOP is monitored by the educator if needed.

What is it & why—Children who play for example wrestling are both engaged in and consenting to physical play with each other. Issues only arise if the boundaries are crossed and many times the children will work this out for themselves. Educators can assist them to enter deep thinking conversations if they need support. At OSHC by allowing them to experience this they will become adept at recognising when aggression is real and therefore a threat. By allowing them to experience this now, children are learning a life skill—risk assessment and they start to take responsibility for their own health and well-being and that of those around them. This relates to **Outcome 3: Children have a strong sense of wellbeing, they become strong in their social and emotional wellbeing and take increasing responsibility for their own health and physical wellbeing** - see one of our educators if you would like a parenting fact sheet available at OSHC.

# Happy Halloween Trick or Treat walk Tuesday 31st October 2023

Some of the businesses approached Laurette when she returned from leave and were expecting the OSHC children, so once again we are organising the fun afternoon. Halloween falls on a Tuesday this year and we are nearly fully booked. Some parents have offered to help and attend the walk and support our annual walk.

Thanks to you all!
