# Tumby Bay Area School

Newsletter

## Leadership Report

Hello to all families and community of Tumby Bay Area School and welcome to the last newsletter of 2023! We are so pleased that you have all been with us for the journey.

We would like to offer some words firstly from our Leaders:

### Principal

I am so proud of the year that has been ours at TBAS for 2023! As we approach the end of another remarkable year at Tumby Bay Area School, it is with great pleasure and pride that I reflect on the many achievements, growth, and moments of awesomeness we have experienced together as a school community. From triumphs of achievement and growth in learning to a variety of artistic accomplishments, our school has been able to offer and celebrate success in such a wide and varied way. Each achievement, big or small, contributes to the collective accomplishments of our Tumby Bay Area School family. Your hard work and dedication have not gone unnoticed, and I applaud every member of our school for their role in our shared success.

Our school community has shone this year as we have been able to come back together, invite people back into our school for events, celebrations and to share the learning. This has given us the scope to have and reflect upon a sense of unity and belonging once again. The collaborations between students, parents, and staff have created a vibrant and supportive community. By working together, we have overcome challenges, celebrated victories, and created an environment where everyone has the opportunity to prosper and thrive.

Our students have once again demonstrated their commitment to pursuing the learning that is important to them. From outstanding performances in big and standardised tests to creative projects that showcase their critical thinking skills, the dedication of our students and the hard work of our staff have truly shone through. Congratulations to all our students for their achievements, both big and small!

This year has not been without its challenges, but our school community has demonstrated incredible resilience. In the face of adversity, we have come together, supported one another, and emerged stronger. The lessons learned through overcoming challenges will undoubtedly serve our students well in the future. Our commitment to providing a well-rounded education that prepares students for the future remains unwavering.

Both our assembly today and this newsletter celebrate many of the amazing aspects that make our school great, and we also recognise the students, educators and families who do amazing things each and every day just being part of our great school.

As we approach the holiday season and the well-deserved break, I want to express my deepest gratitude to our dedicated staff, supportive parents, and exceptional students for making this year a success. I am excited about the opportunities that the coming year holds for Tumby Bay Area School, and I look forward to continuing our journey of growth, learning, and success together.

Nicky Prosser

### Deputy Principal (R-6)

2023 marked my first year of leading the Primary sector at TBAS, and what a successful year it was for student learning and demonstration of our school values across all classes. Students continued to strive for excellence both in the classroom and across experiences in activities, such as SAPSASA, sporting carnivals, tree planting, drama productions, camps, and excursions. All of these and other opportunities have provided connections with our community and wider world, while showcasing the essence of our students as learners who are resilient, collaborative, and inclusive. I am proud of the learners in our Primary sector and equally proud of the positive culture created across our classes by our wonderful teachers.

We are delighted to welcome new teachers to our teaching team, to support and guide our students for 2024 and thank Ryan Merrett and Sammie Norris who are leaving us to embark on new journeys. We welcome Hope Garnaut, Darren Rhind, Karli Anderson, and Greg Richardson into various teaching roles across the Primary sector and know that our students are in great hands moving forward.

We welcome our new Foundations for 2024 into our Primary sector and look forward to getting to know these little learners. As with new beginnings, we also acknowledge the completion of our current Year 6 students' time in the Primary classes, as they transition into Year 7 and Middle School. We officially farewelled these students at the Graduation Ceremony hosted on Thursday and wish them every success and look forward to seeing them grow and flourish as Middle School Students.

As we close out 2023, I thank the School Community for their continued support and look forward to continuing the partnership in 2024.

I hope that everyone has a safe and fun filled holiday break!

Kelly Robinson

*Deputy Principal*

### Secondary Leader (7-12)

I was proud to be the 7-12 Secondary Leader this year. It has been a privilege to work closely with students to support them on their collective and individual education journey.

Students across all year levels engaged in high quality learning across a wide range of subjects delivered by our skilled specialty teachers. Teachers worked inline with our Site Improvement Plan, and we have strived to push and retain students in the high bands. I have enjoyed seeing students engage with their learning and watching them develop, grow, and improve.

As always, I am proud of the large subject offerings available to our students from years 7-12. In addition to flexible and varied subject offerings many of our Senior Secondary students were again supported to engage in VET pathways and school based apprenticeships that met student needs and interests. Engaging in this form of learning allowed students to be supported and connected with school while setting them up for success regarding their future careers and pathways.

In addition to the varied learning opportunities students engaged in many extra-curricular opportunities. The highly anticipated sporting carnival, camps and excursions were again highlights. We also had students participate in university talks, wellbeing presentations and road awareness programs.

In our Middle School, positive culture reflecting our school values was again a focus, celebrated at MS assemblies. Assemblies were a positive display of learning and talent and an opportunity for us to celebrate student learning and achievement.

I welcome the current year 6's into MS. They have enjoyed transition and I know they will make the most of learning opportunities. Good luck to our year 9 cohort as they begin their journey in Senior Secondary. Finally, I would like to wish our awesome 2024 year 12's all the best as they make the most of their final year of schooling, I know that they will make us proud!

2024 will see me step away from TBAS as I begin maternity leave. I look forward to visiting school and attending events. I wish all my awesome students and colleagues the best for the 2024 school year. I am so proud to be a part of the TBAS school family and I look forward to returning.

I hope that everyone has a safe and happy holiday break!

Rhianna Carmody

*Secondary Leader*

## **SACE / VET LEADER**

This year has been a wonderful year of learning for me as I entered the SACE / VET leadership role in 2023. It has been extremely rewarding working closely with our Senior School students to support and guide them through subject selections and VET pathway options this year. We have had many students engaging and succeeding in VET pathways, and this opportunity enables great flexibility within the SACE.

We look forward with anticipation and excitement to our Year 12 Results and these are available via schools online on Monday 18th December at 8:30 am. Students can expect to also receive hard copy documentation from this date onwards, in line with local postal schedules.

I wish our graduating Year 12's all the best as they enter a new and exciting chapter of their lives. I am proud to have been your homegroup teacher and share in your final year of schooling. This is just the start and I know you all have the drive and skills to live a successful and rewarding life.

Wishing you all a fabulous festive break. Next year, I will take on SACE/VET and Senior Secondary leader and look forward to this new challenge. Special thanks to Rhianna Carmody and the work she has done in this role. We look forward to welcoming your new addition to the TBAS family in the new year and wish you the very best as you begin maternity leave.

Enjoy all the joy and love of the festive season!

Sarah Southern

*SACE/VET Leader*

## **Wellbeing Leader**

It has been my pleasure to take on the role of Inclusion, Engagement and Wellbeing leader at Tumby Bay Area School in 2023. Paul Stoddard has continued to work closely with me in his capacity as Student Development Practitioner. I would like to say a personal thankyou to Paul for his passion and enthusiasm while working with our students to support wellbeing. Also, thank you to Tammy Stratford who took over my Wellbeing and Engagement role while I took some lengthy Long Service Leave in term 3 and 4. Her wonderful leadership, and the support she provided to our wonderful students was much appreciated.

In 2023 our school continued to work with the Resilience Project, as we continued to focus on the GEM principles of Gratitude, Empathy and Mindfulness, along with building an understanding about emotional intelligence. Students engaged with this program during Wellbeing for Learning during lesson 4 on Fridays. We celebrated our involvement by holding our biennial GEM festival on November 17<sup>th</sup>. It was wonderful to see the whole school and local community come together and enjoy each other's company, further embedding an understanding of the GEM Principles. In addition, Whitney and Sam from the Resilience Project engaged with our students, staff, parents, and community members to share their thought provoking and enlightening information about the core skills for resilience. Thanks to those parents who have engaged with the TRP @ Home information. This has been a useful resource for parents to learn more about embedding these principles at home.

Our buddies program continued this year with students working together to build relationships, connect with each other and share knowledge and understanding about GEM. We acknowledge that the feeling of connectedness is a protective factor for student wellbeing and the TBAS staff see this as an essential aspect for our school. We are proud to embrace our R-12 community and see this as a strong aspect of our site. I have thoroughly enjoyed watching our students continue to build positive and long-lasting relationships with each other. Thank you to our homegroup teachers for your commitment to the RP and buddy sessions.

Our WEC (Wellbeing and Engagement Collection) was completed in Term 3 with an excellent completion rate. Our results were in line with, or above average compared to other SA schools. On receiving the results, the Senior Secondary Student voice analysed the data and delved further into what the information was telling us. This work will continue in 2024 with the new Student Voice team.

Throughout the year we celebrated the National Day of Action Against Bullying and RU OK? Day. By making students aware of these initiatives, they learnt helpful strategies to focus on their own and others mental health and wellbeing.

It has been a busy year and I have enjoyed working with our students from reception to year 12 to foster success at school. I wish you all a safe and happy break and look forward to seeing many of you back at TBAS in 2024.

Amanda Partington

*Inclusion, Engagement, and Wellbeing Leader R-12*

## Farewell

It is that time of year when we also need to sadly say farewell to some fabulous staff who are leaving us and know that they will take with them the legacy of TBAS with them as they begin new chapters in their own stories.

To Gavin Hammond, we offer our profound thanks for the absolute care you have taken over the past 30 years of Tech Studies, the students who have come through the doors and exited again with a range of skills not only in woodwork, metalwork, STEM, PBL, but also with your great character building and attributes of what makes a great community person, TBAS will not be the same without you in it, but I know you will be so fondly remembered.

To Sammie Norris, Ryan Merrett and Rhianna Foster who head to other sites within our department, we wish you well and know that the students in your future schools will be fortunate to have you amongst them, our students, staff, and the community will certainly miss you.

To Dale Taylor, thank you for your hard work within our grounds, they have looked amazing under your care, and we have always received so many compliments about your work, you will be missed by many.

To Rhianna Carmody we wish you all the best as you begin an exciting new journey with a child all of your very own to nurture, we know you have done this so well with our TBAS students and your new bubs will be so lucky to have both you and Henry as it's parents.

## Welcome

We are very excited to have all our teaching positions filled and most SSO roles finalised for 2024. We therefore welcome Karli Anderson, Hope Garnaut, Darren Rhind, Greg Richardson, Terry Wilson and Peter Hamilton (Grounds) to our site and Emma Genockey back after being on leave in 2023. They will be in teaching positions across our school and parents have received some information about their roles via SeeSaw. Middle School and Secondary students will receive timetables and further information when they return to school next year.

## Primary Assembly

Last Wednesday the 6<sup>th</sup> of December, R/1 Stratford hosted the last Primary Assembly for 2023. Students shared a reflection of some of their favorite memories for the year. To complete the final assembly, the audience were treated to a special visit from a jolly fellow wearing a red suit, who led the class in a song and dance, to wish everyone a Merry Christmas.

The On Trac ticket prizes for demonstrating our School Values were awarded to Zahli Hibbins and Hewston Calderwood.

## TRAC Awards

Class	Trust	Respect	Achievement	Community
R/1 McPharlin	Khalen Chard	Maeve Juett	Zarli Trenberth	Charlie Roeger
R/1 Stratford	Hadley Cave	Lenny Carr	Lilah Chenhall	Morgan Lawrie
2/3 O'Leary	Caleb Smith	Emily Thompson	Hewston Calderwood	Rhyleah Stewart-Stark
3/4 Cullen	Mia Pool	Lexi Coad	Noah Ringwood	Chloe McCallum
4/5 Merrett	Annabel Modra	Benjamin Barney	Thomas Beenham	Gabrielle Chenhall
5/6 Treasure	Scarlett Southern	Koa Barnett	Ayla Carr	Rahni Smith

## Middle School Assembly

On Wednesday the 13<sup>th</sup> of December the year 7's hosted the final Middle School Assembly for 2023. The year 9 students presented a report on their Streaky Bay camp and the year 7's and 8's shared their week in Adelaide with us. We saw some awesome Design & Technology chopping boards and LED lights. We farewelled the year 9's from MS by presenting them with a drawing created by their peers. We would like to thank the year 9's for being great role models and leaders in MS and we wish them all the best as they move into Senior Secondary. Miss Carmody presented lots of subject awards and we celebrated students who display our TRAC values to a high standard. Congratulations MS students on a successful year!

Class	Trust	Respect	Achievement	Community
Year 7	Beckett Franks	Amali Barnett	Skyla Modra	Alfie Telfer
Year 8	Gus Peggie	Chloe MacCrimmon	Abbie McPharlin	Abbie McPharlin
Year 9	Elke Allen	Mieka Buckley	Poppy Stoddard	Poppy Stoddard

### Work Experience- Year 10

Last week our Year 10 students undertook their second week of work experience for the year. Engaging in work experience allows students to immerse themselves in real life experience in the workplace and is a valuable learning opportunity.

We would like to thank all the wonderful businesses who hosted our students.

- District Council of Tumby Bay
- Poonindie Community Learning Centre
- National Parks & Wildlife Service
- Curtis's Tumby Bay
- Conch & Co
- SA Mobile Windscreens
- Edillilie Engineers
- Tumby Bay Kindy & Rural Care
- Tobruk Centre
- Bishop Kindergarten
- Natasha Jackson Conveyancing & Property Services

# WORK EXPERIENCE

## Formal

On Friday the 8th of December staff, families and community celebrated our wonderful 2023 graduates. The celebration was held in the Tumbly Bay Soldiers Memorial and was a fun celebration of the student's whole school journey. The evening started with a Principals address by Nicky Prosser then homegroup teachers Rhianna Carmody & Sarah Southern spoke fondly of each of the graduates and celebrated their individual characteristics and achievements. Guest speakers were past TBAS graduates Tiffany Hibble and Nigel James. The guest speakers spoke of their fond TBAS memories and shared their education journey and how they came about being successful business owners in our local community. Congratulations to the TBAS class of 2023!

Students in photo from left to right:

Oz Richardson, Hudson Franks, Tyson Higgins, Katelyn Rynne, Thomas Allen, Sophie Stoddard, Chloe Shorthouse, Cadence Newsham, Paige Dillon, Natasha Hollier.

We wish you all a happy, safe, and festive break  
and hope you get to spend time with the special people in your lives.  
See you all in 2024 for another great TBAS year.
