

Emergency Management Plan

Incident response group

Each site will have an Incident Response Group (IRG) stood up during an actual or imminent occurrence of an emergency. The group will be responsible for implementing the action plans in response to various situations, in accordance with the Emergency Management Plan.

Figure 1 below shows an *example* of an Incident Response Group and includes **mandatory roles** of an **Incident Controller**, a **Communications Officer** and an **Operations Officer**. In the case of smaller sites, the Communications Officer and Operations Officer may be the same person or, where appropriate, all three roles may be performed by the same person.
